

Nomination day approaches

Nomination Day is September 18th for candidates seeking election to Municipal Councils, School and Hospital Boards, with nominations to be filed between the hours of 10 a.m. and 12 noon, Election Days October 16.

This year all of the offices on Town Council (seven);

Public information question raised

Mr. Dick Flain, President of the St. Albert Community Planning Committee appeared before Council of the Whole Monday night and again asked Council whether information was going to be released as requested by letter of April 8 on how much money was paid in total, and per lot, for land assembled in the downtown core. Each time Mr. Flain has requested the information council has taken the position that (1) making the information public would cause increases in prices through speculation, and (2) that the privacy of individuals from whom property has been purchased must be respected. Please turn to page 2

District 6 School Board (five) District #3 School Board (five) and the St. Albert representation of the Sturgeon General Hospital Board (three) will be open for election.

Persons seeking office as mayor, councillor or school trustee must be a resident of Alberta for 12 consecutive months preceding nomination day, and six consecutive months resident in the town prior to nomination day.

Persons seeking office on the Hospital Board must reside in St. Albert, but there is no qualification on how long. Hospital Board members must be 18 years or over, and a Canadian citizen or landed immigrant. A person or his or her spouse is not eligible if he or she is an employee of the Board, a medical staff physician or dentist at the hospital, or has an interest in any contract with the Board. It is NOT necessary that a hospital board member be a ratepayer of the district. Nominations must be accepted by the nominee in writing.

Voters must be 18 years old, a Canadian citizen or British subject and have resided in Alberta for six consecutive months preceding nomination day, and be resident in the town on nomination day. In the case of voters for council members, the name must appear on the last revised assessment roll in respect to land or business liable to taxation.

June Kendel, president of the Ladies Auxiliary, Denny Taylor, president St. Albert Branch of the Royal Canadian Legion, Sylvia Reynolds head nurse in the O.R. and Cliff Keyes, hospital administrator were at Sturgeon General Hospital Monday evening when Comrade Taylor presented Sylvia with a cheque for \$1,452.99. Added to a previous donation by the Auxiliary of \$300 the funds purchased the Ventilator attachment for the Anaesthetic machine used in the operating room. Miss Reynolds's happy smile indicates the enthusiasm she had for the new piece of equipment, which she expressed to the Legion representatives.

Council to meet with City regarding M.D. Water requirements

Mayor Gibson called a special meeting of council on Monday, August 19, commencing at 7 p.m., for the purposes of discussing the steps in furthering negotiations for an agreement between the Town of St. Albert and the City of Edmonton for a water supply.

"In explanation of this special meeting," the mayor said, "we held a meeting at the MD of Sturgeon offices in Morinville with respect to the letter of approval they gave us with the attached conditions which leave us in a

very poor position. It is my opinion that before we could continue with furthering the suggestions of that evening's meeting that there would have to be a resolution as such. There is no way that either Mr. Byron or myself can act."

Coun. Bakker moved that a meeting to be held with the City of Edmonton to ask for expedience in meeting with the MD of Sturgeon Council to resolve the dispute involving the possible hook-ups of the properties along the water line in the MD. The

motion was carried 3-1. Mayor Gibson was opposed to the motion stating that he did not approve of the methods being used by the MD.

Coun. Bakker then moved that if the joint meeting does not resolve the problem (referred to in the previous motion), then the town seek a meeting with the Ministers of Environment and Municipal Affairs re: water supply requirements within the MD of Sturgeon of the properties adjoining the water line. The motion was carried 4-1. Please turn to page 2

Sod Turning Scheduled

The St. Albert Womens' Institute will be holding a sod turning ceremony for the Alberta-RCMP Century Senior Citizens Recreation Centre at 2 p.m. on Thursday, August 29.

The ceremony will take place on Tache Street, following will be a coffee party at the St. Albert Community Hall.

St. Albert and district senior citizens and the general public are invited to attend the sod turning ceremony and the coffee party.

Landfill site agreement to be signed

Council voted 6 - 0 in favour of signing an agreement between the Town of St. Albert and Northern Alberta Gravel Products Ltd. regarding the sanitary landfill requirements of the town at the meeting on Monday, August 12.

The terms of the agreement cover 130,000 tons over a period of 10 years at a rate of \$2.14 per ton. "If we were to operate our own landfill site," stated Mr. Byron, town administrator, in an interview, "with all the fencing, backfilling, and operations like that, the cost would be well in excess of \$3.00 per ton."

The distance which will be travelled to this site is two miles one-way, a saving of approximately 28 miles. Please turn to page 2

Grandin Shoppers Park Expansion Proposal Submitted to Committee

Mr. Gerry Belke, manager of Grandin Shopping Centre and president of the Grandin Shoppers' Park Businessmen's Association, presented a preliminary proposal for an extension to Grandin Shoppers' Park to the Committee of the Whole at the meeting on Monday, August 19.

As outlined by Mr. Belke, the extension of the shoppers' park would be accomplished in a two stage development.

Stage #1 would include a correction of the parking problems within the shopping centre proper and the addition of a roadway around the back of the centre. Also included would be a trade of the property owned by Grandin Shoppers' Park, behind the Safeway store, for land immediately east of that parcel.

The land to be negotiated for would begin from the centre of the ravine, east to Grandin Road, and south to within 50 feet of the houses on Grosvenor Blvd.

Proposed for the remaining portion of the ravine is the building of a park which could possibly contain a jogging track, an amphitheatre, and possibly a miniature railway. Privacy would be insured to the homeowners bordering the ravine by the addition of a 15 foot buffer strip to the rear of each lot in which the homeowner would plant trees or shrubbery as desired.

Stage #2 is proposed to

be the construction of a two level department store of about 80,000 square feet.

"We would like to go ahead with what we call Stage #1," Mr. Belke told council, "because we are going to have to do something with the parking as soon as possible. We don't want the problem to drag on. We are certainly going to do something about the roadway at the back, there are some bad wash-outs back there, and we feel if we are going to get more rain it will certainly worsen the situation."

Coun. Bakker questioned Mr. Belke about the nature of the request which was submitted including that council consider delaying consideration of the Regional

Shopping Centre proposal until such time as all the proposals are in. Mr. Belke answered by stating - "In connection with that I would like to say that the business people in Grandin Shoppers' Park felt that another shopping centre located so close to the existing facility we would have the same situation as was created in Sherwood Park. The old shopping centre pretty well died out when the new shopping centre moved in. This in all probability is the same situation which would develop here which we feel would be wrong."

Coun. Hudson stated that as a merchant he had been very aware of the parking problem but had found the

owner of the shopping centre had done very little to overcome the difficulties. Mr. Belke answered this by saying that the parking situation was something he had given high priority since he took over as manager of Grandin Shoppers Park Ltd. in July. "You could immediately help us by closing off the access to the centre from Tache Street," he stated.

To further combat the parking difficulties Mr. Belke informed the council that the plans of streets on the north side of the shopping centre were to be removed.

Coun. Bakker voiced the opinion that "considering the preliminary plans that the shopping centre comes in

with proposals for revision. The major one would be as far as land swap is concerned, which I am sure would require public hearings in the area, at that time I think we could consider this. This is very preliminary as it has been presented."

Coun. Hudson questioned the proposal's adequacy in providing sufficient parking for the amount of square footage. Mr. Belke informed him that the plan provided sufficient parking as per the town's specifications.

Another area of concern to the merchants at the shopping centre is the area at the back of the shopping centre which is a target for vandalism. Broken bottles Please turn to page 2

Committee

litter the rear of the buildings and residents and merchants in the area complain of window breaking and other forms of damage.

Coun. de Bruijn stated that he was in favour of doing more than receiving Mr. Belke's proposal and stated that some form of encouragement should be supplied. Coun. Thirionson stated that he felt that the fact that council had listened to the proposal indicated that there was encouragement for the proposal to be further pursued by the Businessmen's Association.

In an interview with the Gazette, Mr. Belke elaborated on the proposed expansion. "Basically our proposal is to build a two storey addition of the east end of the shopping centre and to create a park in the remainder of the area immediately to the south of the centre. My understanding from the people around the area is that this is what they want to happen."

Mr. Belke explained the reason for desiring the closure of the access to the centre from Sir Winston Churchill Avenue across from the curling rink. That is the one that we have the most problems from in terms of accidents according to the police reports.

Regarding the parking situation and the proposed improvements Mr. Belke explained that the desire was to utilize the parking facilities to the fullest potential. "Because of the slope we feel that the parking should be changed (to north-south arrangement of the parking rows)."

Regarding the improvements to the ravine Mr. Belke reported that he felt that the location would be "perfect for an amphitheatre." "Because of the natural contour of the area it is felt that it would be the place to put something like that. You could get excellent performances from such a location. The treed area would be left and basically the entire area could be

Continued from page 1

cleaned up." Due to the excess of erodible material, Mr. Belke stated that a terracing would be a proper method to follow in order to overcome the problem. Council will be receiving a more definite proposal regarding the expansion of the centre and the public are invited to view the plan which will be placed at Emery's Pipe Shop. Public response is being welcomed.

Landfill

Continued from page 1 both ways over the previous site. The Northern Alberta Gravel Products Ltd. site is located on 170 Avenue, south-west of the town.

"The general public are not encouraged to go onto the site at all," Mr. Byron stated. "What the council inquired about (at the meeting on August 12) and what the town is looking at now is the possibility of a refuse station. What this would be is a large refuse container such as what is used on construction sites and this would be put in a particular location. This would enable the residents of St. Albert to go to this place, on a weekend for example, and arrangements would be made to pick it up on a Monday. We are looking at the cost of entering into an arrangement with somebody on such a service."

The agreement will come into effect with Northern Alberta Gravel Products Ltd., on September 1st.

Council

Mayor Gibson was again opposed stating that the grounds for his opposition was that the town was doing something that the MD should be doing itself.

Coun. Hudson expressed concern regarding the need for haste in seeking a meeting with the City of Edmonton and alerted attention to the fact that the Civic politicians in Edmonton are campaigning for the upcoming election. Coun. Bakker

Question

Mr. Plain has taken the stand that all developers interested in doing the downtown core were invited to make submissions to council, so that they together with real estate people are aware of the land assembly operation, and that it has long been common knowledge that the land is being assembled, so that the speculation argument doesn't hold. He has stated also that council is required to make public all information on public funds spent, under the Municipal Act.

The matter was raised by Coun. de Bruijn at the end of the meeting, when he stated that while certain matters are best kept in confidence, in this case it is not appreciated by the residents, who feel there is some skulduggery going on. "Therefore," said Coun. de Bruijn, "I think the best thing to do is to publish the list of properties purchased and amounts paid, and so move that we recommend to council that all properties acquired to date and prices at which they were acquired, be published immediately in the Gazette."

"I couldn't support that resolution," said Coun. Hudson. "We must attempt at all times to keep land costs at a reasonable level, and any such publication of prices would cause them to soar."

Coun. Bakker wanted to check on the legality of withholding the information and

Continued from page 1

moved that the mayor be authorized to host such a meeting with the City of Edmonton if needed. The motion was passed 5-0.

Bus passes

The Town of St. Albert is in the process of purchasing photographic equipment for making up monthly bus passes for senior citizens, students and adults. The identification cards will be printed and laminated and Chief Administrator Robert Byron is working with the Edmonton Transit System on correlating the colours.

Sometime during the first week in September details will be announced so that Seniors and others interested will be able to make arrangements to have their photographs taken and work will then go forward on making up the cards.

Continued from page 1

moved that the recommendation be tabled. The tabling motion carried, with Coun. de Bruijn opposed.

Schafers Horseshoe Champ

Young 14 year old Dale Schafers of Calahoo won the Canadian Junior horseshoe throwing championships in Toronto Saturday morning. In speaking with Mrs. Schafers she advised the Gazette that Dale and his father were returning from Toronto by car and would not be home until Wednesday or Thursday. A story on Dale's championship will be featured in next week's Gazette.

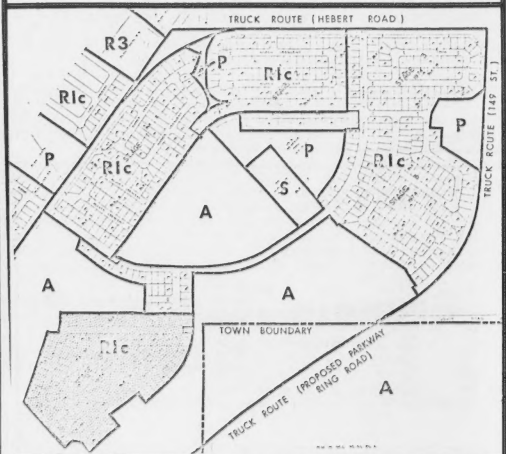

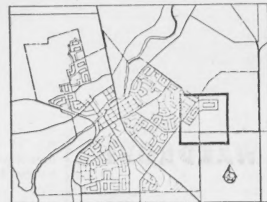

The St. Albert Ladies fastball championship was won this year by the Angels in a close playoff with the Playgirls. Members of the winning team are: Back row, left to right - Val Moyck, Sharon Dettling, Rae Oram, VI Oka, Val Parent, Ann Bassman and Del Fidherney. Front row - Kathy Foulis, Charlotte Newton, Betty Fenton, Donna Tessier. Missing from the picture were Bev Matoga and Liz Houghton.

Town of St. Albert NOTICE OF PUBLIC HEARING

The Council of the Town of St. Albert, having been given authority under Section 119 of the Planning Act 1970 R.S.A. as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone that portion of the NE 34-53-W4th as shown on the map below from Agricultural (A) to Residential Single Family (R1C).

FROM A TO R1C - SINGLE FAMILY

The proposed Bylaw No. 26/74 may be examined between the hours of 9:00 a.m. to 4:30 p.m. at the office of the Town Clerk, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 9th day of September, at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Town Clerk at his office until 4:30 p.m. on the 4th day of September. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

TOWN CLERK

Town of St. Albert

NOTICE TO ALL RESIDENTS

Residents are reminded that in order to have refuse picked up, refuse must be out by 7:30 a.m. on the morning of pick-up.

Crews will not return to any area to pick up refuse that has been missed because refuse was not put out, or if cars, trucks, trailers, etc., impede crews from making pick up.

Jim Read announces decision to run in upcoming election

Mr. Jim Read of 33 Burnham Place announced this week that he intends to seek office on Town Council in the forthcoming municipal election. Mr. Read has been a resident homeowner in St. Albert for the past five years.

In arriving at the decision to run, Mr. Read stated that he felt the town needed to get down to some serious planning. Such matters as too fast a yearly growth ..

JIM READ

lack of recreational facilities and lack of 'open space'. The fast growth, said Mr. Read, must be a "NIGHT-MARE" for school boards who have to plan months and years ahead for new schools.

Traffic on a One Only thoroughfare to Edmonton via No. 2 Highway (St. Albert Trail) is a real obstacle course in the mornings and afternoons. Surely, said Mr. Read, there should have been more planning and action on alternate routes by the present council before we reached 20,000 people.

Mr. Read, who is quite well known in town through his five years with the St. Albert Comets, and two years as instructor and coach of a Finnish Hockey Club in Finland, has been interested in local politics and said he has followed with interest and concern the direction the town is taking.

Mr. Read says he has the time and the energy to devote three years on council and would direct his attention primarily towards a general plan, badly needed recreation facilities and improvements of highway congestion, with more access routes to Edmonton.

Mr. Read also felt the need for regional co-operation with neighboring municipalities, such as Edmonton and MD of Sturgeon, on such vital matters as transportation, water, sewer and other utilities.

Mr. Read is married and has a family of three, Darrell, 13, JoAnna, 5 and Megan 4.

Interested people wishing to assist him may telephone Jim at 459-5449. Jim is employed as vice-president in charge of sales at Cross-town Motors.

Fire Agreement passes on 4-2 vote

The Committee of the Whole voted 6-0 in favour of recommending to council that the Fire Agreement be submitted to the MD for their perusal and comment, at the committee meeting on Monday, August 19.

Mayor Gibbon made a mo-

tion that when the agreement meets the satisfaction of the MD, no signing take place until such a time as the water line situation is resolved.

In speaking against the resolution, Coun. Hudson stated, "As much as I object to the position of the MD in our attempts to construct a new water line, I think it would be really hard press-

ed for me to take a similar position with fire fighting. I think that the 'gun to the head' methods that they have used on us I object to and I could not bring myself to act in that way."

The mayor's motion was defeated with a 4-2 vote, Mayor Gibbon and Coun. de Bruijn were in favour of the motion.

Special watch lost

Following the long distance events of the Regional Swimming Finals, which were held Friday night at St. Albert pool, an expensive Bulova stop watch was missing. It is of distinctive design, a watch style loaned by Bulova for swimming events. The loss has been reported to the RCMP anyone who may have found the watch, or having any information is requested to contact the RCMP office or drop a note to the Salfish Swim Club post office Box 97.

Mayor to speak to tourist association

The Midnight Twilight Tourist Association is holding a Director's meeting on Sunday, August 25, beginning at one p.m. at St. Albert Inn. Guest speaker, Mayor Ray Gibbon is scheduled at 3:45, following business arising from the minutes, correspondence and committee reports.

Under new business, following the mayor's address

discussion will be centred on a permanent tourist information centre, office location for 1975, membership, 1975 budget and a brochure for 1975.

to the Editor

More waste baskets needed

The Editor:

As I walk through the disgustingly dirty streets of St. Albert, I often wonder why there are no waste baskets anywhere in sight? Other cities have very attractive and well kept garbage disposal units at various sections of their streets, but not here! The streets of St. Albert are littered with garbage that could be easily put into a waste basket if it were handy. I know there is also a lot of dirt in the gut-

ters that block the sewers, but that's just one other problem that our city administration is ignoring.

What's the use of teaching our children ecology if they cannot practice it in their own town? When I walk to the store with my children and on the way home they ask, "Where can I throw this, Mom?" I have to tell them to keep it until we get home. But you can hardly blame the citizens of St. Albert for throwing their

wrappers on the ground when the city doesn't provide waste baskets. The recently erected bus station is already an "Eye sore" with all the garbage thrown around, and has anyone noticed how badly kept our shopping centres are? Please Mr. Mayor, help keep Alberta beautiful!

Mrs. Mona Langevin,
Sturgeon Heights.

"It fell to earth, I now know where!"

27 1/2 Mills From Your Tax Notice Is The Homeowners Property Discount

The Provincial Government this year opted for a mill discount for homeowners rather than a Tax Rebate Cheque. The discount came by way of removing the School Foundation portion from your Municipal Tax bill. In St. Albert, this meant a reduction this year of 27 1/2 mills off your Tax bill.

Last year, and for many years before, your Tax Notice INCLUDED the School Foundation mills and homeowners last year received a rebate cheque up to a maximum of \$218.00. On 1972 the Government rebated a HOMEOWNERS CHEQUE for \$75.00 and prior to that the HOMEOWNERS CHEQUE was for \$50.00.

This year to save a tremendous amount of expense for both Provincial and Municipal departments the Provincial Government did away with the Issuing of Cheques and actually increased the saving to homeowners.

EXAMPLES ARE AS FOLLOWS

If the assessment on your home last year was \$10,000 you received a cheque for \$216.00. If the assessment on your home remained the same at \$10,000 you take the 27 1/2 mills times 10 (One mill is One Dollar on every Thousand dollars of assessment) for a tax discount of \$275.00.

On the other hand, all assessments didn't remain constant in St. Albert and if your assessment rose to \$11,000.00 you would receive even a better break on the Provincial Rebate (\$302.50). However the St. Albert Municipal Tax increased. In St. Albert this year council increased the Municipal mill rate over last year by six mills. Protestant school levy was increased 1/2 mill; Catholic levy up 2.1 mills and this year .8 mill was added for hospital. Your home assessment is found on your tax notice on the left hand side. . . fourth line from the top. Homeowners may figure out their savings by removal of the Provincial Government levy of 27.5 mills.

Commercial and Industrial properties do not get this break and pay the total mills on their assessment. Besides the discount to homeowners, special consideration was given to senior citizens, farmers and renters.

It can be said that St. Albert, Morinville, Bon Accord, Gibbons and the MD of Sturgeon this year have a high tax rate. In my opinion this comes about in the main because of the extraordinary rate of residential growth by way of homes and acreages. The growth rate has created needs for major utility extensions and for street and road maintenance and improvements. At the same time the growth rate has resulted in public pressure for increased parks and recreation facilities, and has necessitated an increase in administrative costs as well. In St. Albert for example the work volume was such that the staff at Town Hall has been more than doubled in the past year. The Town Hall became too small and a need arose for more space. A plan to extend the Town Hall was discarded in favour of a new facility.

St. Albert revenues have been increasing through a larger assessment base each year, both residential and commercial. Over the past three years a further revenue of \$600,000.00 has come in during 1972-73 and 74 by supplementary assessment allowed by Provincial legislation in 1972.

Supplementary revenues collected included the school foundation portion, which was not remitted to the Provincial Government, and the local school board's supplementary requisition which were not turned over to the boards. Town council also charged 10 per cent collection fee, approximately \$80,000.00 last year for all school taxes, which is difficult to justify since uncollected taxes are nil and no discount is offered for payment on time which are the bases of the municipal act allowing the 10 per cent fee.

Despite the removal of 27.5 mills for school foundation and these other added revenues, council found it necessary to increase municipal taxes this year.

The obvious fact is that the municipal portion of our tax should be considerably higher and the school requisitions should be considerably lower.

As M.L.A. I am endeavouring to find a solution to the low total assessment throughout the entire constituency and have suggested the formation of a Regional Utility Board. Shared assessment (tax dollars) from a major industrial park in the MD of Sturgeon could be the start on alleviating the high taxes. Such a formula is presently being considered by the Provincial Government. A fairer distribution of Industrial Tax throughout the entire province must be a major aim of the Provincial Government, to go along with their policy and philosophy of decentralizing heavy industry . . . 50 to 100 miles outside of urban centres. While I am in complete and full agreement with this philosophy, in recent months it has prevented major heavy industries such as Shell Oil and Syncrude from locating in this area which would have provided many millions of tax assessment. Non-polluting secondary manufacturing plants creating jobs and tax dollars for this proposed industrial park are just around the corner. What is needed is the co-operation, work and planning of all elected representatives in the constituency.

NOTICE OF PUBLIC HEARING BY Public Utilities Board

FOR THE
PROVINCE OF ALBERTA

MILK PRICES

IN THE MATTER OF "The Dairy Board Act":
being Chapter 234 of the Revised Statutes of
Alberta, 1970;

AND IN THE MATTER OF "The Public Utilities
Board Act": being Chapter 302 of the Revised
Statutes of Alberta, 1970;

AND IN THE MATTER OF an inquiry by the
Public Utilities Board to consider methods and
procedures for prescribing the minimum
prices to be paid to fluid milk producers in
Alberta;

AND IN THE MATTER OF an Application to
the Public Utilities Board by Silverwood Dairy,
Palm Dairies Limited, Alpha Milk Company
and Northern Alberta Dairy Pool Ltd. for an
order or orders increasing the minimum No. 1
and No. 2 prices (as such prices are defined
in the regulations passed pursuant to The
Dairy Board Act).

NOTICE is hereby given that public sittings of
the Board will be held at the Court House in
the City of Red Deer, in the Province of
Alberta, at the dates and times and for the
purposes as described hereunder.

1. On Monday, the 26th day of August, 1974
at 10:00 o'clock in the forenoon, and
continuing on Tuesday the 27th day of
August 1974, as required, for the purpose
of hearing representations on a "formula
pricing system" for milk, designed to
provide for milk prices to be adjusted
periodically in response to changing econ-
omic conditions, and for the purpose of
hearing representations by any interested
persons who may wish to make representa-
tions on other methods and procedures
for prescribing fluid milk prices; and
2. On Wednesday, the 28th day of August,
1974 at 10:00 o'clock in the forenoon for
the purpose of hearing the application of
processors and distributors for an increase
in minimum fluid milk prices.

AND FURTHER TAKE NOTICE that any per-
son who desires to be heard on the inquiry
or on the application is invited to appear in
person or by counsel at the hearing at the
times and places herein mentioned.

AND FURTHER TAKE NOTICE that copies of
the Application and material in support
thereof which the Applicant intends to submit
to the Board at the hearing may be obtained
on or after Monday, the 12th day of August,
1974 by addressing a request to the Applicant,
whose address is:

Tour emphasizes beef in industry

Mrs. Jo-Ann Symmonds,
St. Albert's Consumers As-
sociation of Canada repre-
sentative attended a Beef
tour and barbecue on Wed-
nesday, August 14.

The tour was sponsored
by the Meat Packers Council
of Canada and The Alberta
Cattle Commission.
Some interesting facts on
beef and beef production is-
sued by the Alberta Cattle
Commission which Mrs.
Symmonds brought back

from the tour are as follows:

*There are about 50,000
cattle producers on the
62,700 farms in Alberta.

*About 40 per cent of all
farm cash receipts in Al-
berta come from the pro-
duction of beef.

*In 1973, Alberta's total
cattle population stood at
3.6 million head.

To date there is a poten-
tial breeding herd of 1.5
million cows and heifers
which will produce calves

in the spring of 1975. This
is a 10 per cent increase
from the previous year.

*Approximately 2.4 mil-
lion head of cattle were mar-
keted in 1973, with 40 per
cent going to slaughter. The
number of packing plants in
Alberta is increasing and
the potential for increased
slaughter is great. Current-
ly, Alberta slaughters 40
per cent of all cattle slaugh-
tered in Canada.

*Under normal circum-
stances, 75 per cent of total
kill in Alberta is exported
with 75 - 80 per cent of
this satisfying the Montreal
Market and 20 - 25 per cent
the Vancouver market.

*In Canada, the beef in-
dustry alone is estimated to
directly contribute over \$3

billion to the Gross National
Product of about \$10 billion
and directly and indirectly
account for about eight per
cent of the entire economic
activity in 1972.

*The Alberta beef indus-
try is the 31 employer in
the province, and Canada's
beef industry is the #1 job
creating multiplier of any
industry in the country.

*In 1973 the average Cana-
dian per capita consumption
of beef was 93 lbs. per year,
based on carcass weight. Of
this amount, only 69 lbs.
or 75 per cent, is saleable
retail beef, and from these
retail cuts only about 86
per cent is edible. There-
fore, we actually eat about
60 lbs. of edible beef per
person per year.

Melnyk - Cuts Wedding

Elaine Cuts, daughter of
Dr. and Mrs. W. D. Cuts
of St. Albert was recently
united in marriage to David
Melnyk, son of Mr. and Mrs.
Nestor P. Melnyk of Victo-
ria, B.C. The simple and
beautiful ceremony, per-
formed in St. Albert United
Church, was ecumenical in
nature with Dr. Lindsay Vo-
ges of Edmonton and Father
Bednar of Leduc jointly offi-
ciating.

The bride wore a tradi-
tional white gown with prin-
cess lines and a lace trim
complimented with a match-
ing mid-length veil. The sole
bride attendant, Mrs. Diane
Cuts, sister-in-law of the
bride was charming in a
pink floral gown with tight-
fitting bodice and Eliza-
bethan collar.

The best man, Mr. W.
Harry Melnyk of Big Valley,
cousin of the groom, was
assisted by Elaine's brother
Harold and Donald who acted
as ushers and photogra-
phers.

Mr. William Melnyk, Day-
id's uncle, read two biblical
selections during the service
the beauty of which was much
enhanced throughout by the
organ selections of Mrs.
Phillip Upright, who had, in
the past served both as music
teacher and choir leader to
Elaine.

Following the service
many of the guests strolled
from the church to Dr. Cuts'
grounds to visit until the
reception at the Purple Dude
where Harold Cuts acted as

master of ceremonies.

Toast to the bride was
given by Ronald Gounce,
Elaine's cousin, Miss An-
gela Eickhorst who had been
a fellow member of Univer-
sity Mixed Chorus with El-
aine and Dave, added greatly
to the pleasure of the even-
ing with her renditions of
several vocal solos. Follow-
ing the banquet a three
piece orchestra from the
Canadian Institute for the
Blind, led by Jim Bennett,
a former resident of the
community, provided dance
music so dynamic that old
and young were soon dan-
cing with enthusiasm.

A unique feature of the
evening was the spontaneous
singing of Ukrainian folk
songs by many of the as-
sembled guests some of whom
had travelled from such dis-
tant points as Estevan, Sask-
atchewan; Victoria, B.C.,
and San Diego, California.
The young couple plan to
reside in Calgary.

CAREER OPPORTUNITY FOR

STENOGRAPHER

Duties in typing purchase orders, monthly operating
statements, retail Co-op statements, reports, income
tax forms, bulletins, correspondence, and dictaphone
experience. The opportunity to assist in the mailing

SPEED VERSUS MILEAGE

High speeds substantially increase gas consumption. Statistics prove that driving at 50 mph versus 70 mph can result in a fuel saving of nearly 20 percent.

Creative School has new Board

The St. Albert Creative School Society is beginning its 1974-75 season with a new executive. Inquiries regarding nursery and kindergarten classes should be directed to the new board. President is Donna Read 459-5449 and the vice president

is Beth Cunningham 459-5256.

Parents who have children enrolled in the school for this year will receive a newsletter in the last week of August giving details of orientation, bus schedules, and classes.

We are planning a clean-up for the weekend of Sept. 7 - 8 to ready classrooms for fall use and would appreciate help especially with carpentry. If you are able to help please phone Jack Maruyama 459-3484.

Metric Made Easy

For those of us who are not mathematically inclined, conversion from the system of weights and measures to the Metric system presents a bit of a problem.

Bulk weights may be broken down to the following equivalents: 1 pound (lb.) - (454 kilograms); 2 lb. - (.91 Kg.); 3 lb. (1.36 Kg.); 4 lb. (1.81 Kg.); 5 lb. (2.27 Kg.); 10 lb. (4.54 Kg.); 20 lb. (9.07 Kg.); 50 lb. (22.68 Kg.); 100 lb. (45.36 Kg.); 150 lb. (68.04 Kg.); 200 lb. (90.72

Kg.); 250 lb. (113.4 Kg.). Doesn't it sound better when you tell someone your weight with the metric method?

Liquid measures may be broken down to the following equivalents: 4.5 litres - 1 gal. (160 fl. oz.); 1000 cc (1 litre) - 35 fl. oz.; 568 cc - 1 pint (20 fl. oz.); 30 cc - 1 fl. oz.

TAKE FIVE...

AND MAKE THAT SHORT DRIVE TO THE

Library hours

With the return to school in the fall, the St. Albert Public Library will revert to full hours from summer hours.

Starting Monday, August 26, hours of service at the library will be:

Monday to Friday - 10 a.m. to 9 p.m., Saturday - 10 a.m. to 5 p.m., Sunday - 1 p.m. to 5 p.m.

Membership in the St. Albert Public Library is free. The library's collection includes over 30,000 volumes, over 200 magazine subscriptions, paperbacks, consumer publications, Town Council minutes and reports, encyclopedias, reference information and atlases.

Visit the library soon and become a regular user.

Channel 13 set for Sept.

On September 1, 1974, Edmonton's newest television station begins in Western Canada's fastest growing community. Edmonton Video Limited - CITYV - Channel 13 (Cable 8) will serve the complete area of metropolitan Edmonton and surrounding communities.

CITYV has no intention of affiliation now, or in the future, with the new Eastern based Global Network. They will, however, be in a position to acquire some of the same programs as Global, and will be purchasing some of their better Canadian productions.

ITV's in-house facilities are second to none! They boast total film processing and editing capability; plus

complete graphics and animation departments. Mobile facilities are being engineered to exact specifications and are unique in North America.

In programming, ITV will offer Monday Night NFL Football, the nightly "Tommy Banks Show," "Insight," a new innovative current affairs show; action series

such as "Mannix," "The Rockford Files," "Get Christie Love" - all with the exception of "Mannix," brand new exciting adventure series.

ITV's complete line-up of first run feature movies! "Love Story," "Hello Dolly," and "Hawaii" represent the calibre of films to be shown on Channel 13.

Congratulations

AND ALL GOOD WISHES!
ON THE BIRTH OF THE BABY!

The Welcome Wagon hostess will bring a basket of gifts for new babies and parents. Please telephone Connie Tremper at 459-6729, and let her know when there is a new baby in your house.

The hostess will call on all babies six weeks and under if she is informed of their arriving.

Mrs. Muriel Moore feted on birthday

By Liz McLeod

The community hall at Namsao was the place chosen to hold a pot luck supper on August 10 honouring a fine pioneer from the Calahoo district.

In the past the grandchildren of Mrs. John Moore, always took their dear grandmother out to dinner, but there were others too, of the family who wished to be a part of the celebration, so for Mrs. Moore's 91st birthday it was fitting for old neighbors, relatives and friends to gather together where friendships could be renewed and old times vividly brought to memory. The tables were attractively arranged with orange place mats and green checked decoratively folded serviettes where the 75 who gathered together enjoyed a delicious meal.

The head table with four settings was neatly covered with a white tablecloth and had purple streamers complimented with a bouquet of live yellow roses and a uniquely different 91 figure depicting the milestone this charming lady has reached.

Looking elegant in her purple gown and white lace shawl enhanced by a large purple orchid corsage, Muriel sat along with a very dear friend, Mrs. O'Neill from Spruce Grove on her right and to her left sat her two sons Creelman Moore of Edmonton and Leslie Moore from Bon Accord.

Two daughters, Mrs. Homer (Vida) Flynn and Mrs. George (Eileen) Bujac from British Columbia were unable to attend this happy occasion.

It was really nice to see our honoured guest enjoying reasonably good health, in fine spirits and so alert. She was born August 10, 1883 in Cape Breton Island and has seen many changes in this land of ours.

After their marriage, Mr. and Mrs. Moore took up a homestead in Calahoo around the time the First World War started and raised their family of three sons and two daughters which has now expanded to where 13 grandchildren could be present as

well as 17 great grandchildren and one great great grandchild, young Miss Kathy Moore from near Ft. Saskatchewan, making five generations present.

They retired to live in Edmonton 15 years ago when John, (Jack as he was mostly called), an expert bricklayer who erected most of the chimneys in and around the district, had failing health, he predeceased his wife in 1957.

Many of Muriel's friends remembered how well she played the organ for the church services in the then Noyes Crossing United Church as well as being a wonderful friend and neighbor.

People came from Edmon-

ton, Gibbons, Calahoo, Ponoka, Millet, Bon Accord, Fort Saskatchewan, Spruce Grove and Namsao to wish this beautiful gracious lady happy birthday which was sung to her after which she ably blew out the candle on her cake and then thanked everyone from the bottom of her heart.

A specially decorated cake in the form of a Book of Memory also graced the head table.

After singing "For She's a Jolly Good Fellow" leisurely visiting over a second cup of coffee and such tasty dainties ensued before all wended their way home, convinced that more occasions such as this would keep people more in touch.

Aid announced for cemeteries

Ernie Jamison, M.L.A., announced this week that the Provincial Government has approved a program to survey, restore and register cemeteries of historic significance within the province.

Of primary interest are abandoned cemeteries and/or abandoned graves in cemeteries which are still in use which are of historic interest to the people of Alberta. Cemetery associations, secretaries or oldtimers in the Municipal District of Sturgeon are asked to contact Ernie Jamison - Box 263,

St. Albert or telephone 458-2240 for further information regarding financial assistance. It would be appreciated if enquiries could be received prior to Sept. 10th.

Playground group presents play

'O Canada' sung in French and English opened the August 9th performance of a play on the history of St. Albert by youngsters who had attended the bilingual playground over five weeks at the grounds at the library.

In preparation for the playlet, puppets had been made three weeks ahead of time to familiarize the children with the characters, Father Lacombe, Monsieur Tache and Indian figures, since these friends came to witness the memorable day in 1861 when St. Albert mission was established. In addition the children had visited the local museum. The play was written by Mrs. Clele Bessner and her daughter Lori, an assistant at the playground program. The other assistant under director Florence Lefebvre, Monique Audy, chose four songs for the performance. The children were in costume and Mrs. Lefebvre arranged appropriate props.

Diane Boucher acted the part of Pere Lacombe and Andre Delaney was the bishop, in bright robe. Their Indian friends were Timmy Gatten of Edmonton, Natalie Delaney and Elaine Jerusar-Ingham, and pioneers were Nathan Jerusar-Ingham, (also the emcee), Amik Delaney and her doll, Claudette and

Jeanine Berard, Christa Norrie, Crissy, Rodney and Angele Gatten of Edmonton and Ian Palmery of Vancouver. The one act play in two scenes was well received by families and

friends. Mrs. Lefebvre thanked all who had participated. The editor of the Franco-Albertain interviewed those present and took pictures of the event, as did a number of

the spectators. To conclude the program a delicious cake, decorated in a maple leaf theme was served with refreshments. All the children received a gift of a French book.

Expensive options

Automobile options such as air conditioning, radial tires and automatic transmissions can effect fuel consumption substantially, advises Consumers' Association of Canada. Tests indicate that air conditioning can cost you one to two miles per gallon whereas steel-belted radial-ply tires increase gas mileage by 0.5 to 1 miles per gallon over standard bias-ply tires.

Es. An automatic transmission can cost you from five to nine miles per gallon, especially in stop-and-go traffic. Most accessories attached to the outside of a car, such as a carport carrier, increase wind resistance, further reducing fuel economy. CAC National office is located at 801-251 Laurier Avenue West, Ottawa, Ontario, K1P 5Z7.

Kinder garden meeting

A general meeting for parents whose pre-school children will be attending kindergarten under the St. Albert Pre-School Education Society's program in the Clubhouse on Grenfell Avenue will be held at the clubhouse September 9 at 7:30 p.m. Forty-three children have been registered to date in this kindergarten, which does not provide busing and requires parent volunteer assistance for each child registered. Enquiries may be directed to Mrs. McFetridge at 458-0815, or Mrs. Haughton at 458-0288.

Council chooses Downtown Development Priority

Council voted 6 to 0 in favour of the recommendation from the Committee of the Whole regarding the first priority (the Civic Centre) of the downtown develop-

ment at the council meeting held on Monday, August 12. The motion reads, "That the committee recommend to council that the proposals regarding downtown devel-

opment be referred to staff for a report giving first priority to the civic centre and second priority to the means of keeping the banks of the Sturgeon River free for pedestrian circulation." This recommendation was moved by Coun. Bakker at the committee meeting on

July 30 and at that time it was expressed that staff should consider the extent of civic facilities possible, having in mind other necessary community facilities. Coun. Luky stated that he was clear on the first part of the motion that required some additional in-

formation in clarification of the second part. In explanation Coun. Bakker said, "the first priority is the civic centre and its location, the second priority deals with the means of keeping the banks of the Sturgeon River free for pedestrian circulation, since we consider that

this is a prime aspect." The mayor said that the motion was stating that the civic centre could not be built on the Sturgeon River bank and Coun. Bakker added that the centre could be located on the bank, only if there was free pedestrian circulation provided.

Summer programs finish at library

After a popular puppet show promotion in local schools, the St. Albert Public Library's annual Summer Reading Club was a run-away success.

All boys and girls from grade 1 to grade 6 were invited to register for the Summer Reading Club in June and then read throughout the summer, reporting on books read to the library staff.

Over 200 youngsters participated and afternoons at the library - report time - were bedlam throughout the summer in the rush to read.

The Summer Reading Club is designed to involve local youngsters in a voluntary summer reading program, and provides an opportunity for the library staff to give their personal attention to individual readers.

Each year the Summer Reading Club concludes with a party for members who are invited to come dressed as a storybook characters. This year the party will be held on Saturday, August 24 from 10 a.m. to noon at the library. All Summer Reading Club members are welcome.

The St. Albert Public Library's Summer Storyhour ends Thursday, August 22 after a fun filled summer. The popular program for local pre-schoolers continued to attract a good crowd for a weekly hour of songs, stories, games and puppets.

Morning and afternoon sessions of the Fall Pre-school Storyhour at the Library, as well as the weekly Bilingual Storyhour, will begin again in mid-September. Dates and times will be announced in the Gazette.

GAZETTE CLASSIFIEDS
PH. 458-2240

Alberta explains your 1974 property tax reduction plan.

Albertans now pay lower residential property taxes. Due to your Government's oil and gas revenue policies the ENTIRE PROVINCIAL EDUCATION TAX HAS BEEN REMOVED FROM YOUR TAX BILL. In most cases, the reduction is automatic through your local taxing authority and the reduction amount is shown on your property tax bill.

1 2 3 4

1 AUTOMATIC REMOVAL OF TAXES:

All classes of residential property are covered by the reduction, including family farmlands and mobile homes. In the case of most residential property, this reduction is automatic. Look at your tax bill for the reduction amount you have received.

2 MINIMUM BENEFITS:

The Alberta Property Tax Reduction Plan allows for minimum benefits as follows:

\$100 (or the total property tax, whichever is less) for Albertans under 65:

If the automatic tax reduction shown on your tax bill is less than \$100 you probably qualify for an additional benefit payment from the Province. Just apply on the form supplied.

\$200 (or the total property tax, whichever is less) for senior citizen Albertans receiving the Guaranteed Income Supplement:

If the automatic reduction shown on your tax bill is less than \$200, you probably qualify for an additional benefit payment from the Province. Just apply on the form supplied.

If you own a mobile home and pay municipal taxes (usually as a licence fee paid to your municipality) you will receive the same kind of benefit as all other residential property owners. The tax reduction for licensed mobile homes will be available from your municipality as a rebate of Provincial Education Tax already paid or as a reduction in the amount of future licence fees. See your municipality for details.

3 FAMILY FARMLAND BENEFITS:

If you are an Alberta resident and own family farmland in Alberta, you will receive the same benefit on your farmland as other residential property owners. Just apply on the form supplied.

4 SENIOR CITIZENS' BENEFITS: (Age 65 and over).

OWNERS - If you are a senior citizen and own residential property, you receive the same benefit as other residential property owners. If you receive the Guaranteed Income Supplement and your reduction is less than \$200 you are probably eligible for additional benefits. (Read #2 "Minimum Benefits").

RENTERS - If you are a senior citizen and rent residential accommodation (including rooms in senior citizens' lodges) you may claim a \$100 benefit immediately. Application forms for these benefits are available at any Treasury Branch, Treasury Sub-Branch, your municipal office, or any office of the Department of Municipal Affairs, or write: The Department of Municipal Affairs, 10363 - 108 Street, Edmonton, Alberta, T5J 1L6. Residents of nursing homes and auxiliary or regular hospitals have already automatically received this benefit and need not apply.

Alberta
MUNICIPAL AFFAIRS

Foster homes fill big need

Each year the number of children who need foster homes increases. The reasons for this fact are vast and varied.

It takes little effort to imagine the helpless feeling resulting from the discovery that one is homeless, but in the case of a child the situation is most tragic. The circumstances causing the situation could range from illness to the death or desertion of a parent. Whatever the cause may be, these children deserve and in many cases desperately need the fundamental security and stability of a home.

The children in this type of situation are of all ages and of varied racial backgrounds. Without the help of foster homes, these children would otherwise lose all contact with the family environment which they so urgently require.

The qualifications for the foster family are not unrealistic. The agencies provide a regular monthly sum for the care of the child, arrange for clothing, medical and dental requirements, and try to reimburse foster parents for most expenses thereby removing wealth from the criteria of eligibility of a foster home.

The foster parents need not own their own home, apartment dwellers are eligible. Age is not a barrier either, parents must merely be old enough to be responsible and young enough to enjoy being with the children under their care.

Several kinds of homes are needed; crisis-care homes for temporary placement, reception centres where the agency may identify the special care required, group homes where several children live under the supervision of "house parents," and the on-going

homes where a child may grow up belonging.

Throwing one's home open to a foster child is as serious responsibility not to be lightly

undertaken, whether the child would remain in the home for a matter of weeks of several years. One must be able to supply something

which good intentions alone can not manufacture... a normal, healthy and genuine family environment. If you feel you would like

to become involved in the Foster Care Program by sharing your home with a child in need contact the Co-ordinator at 433-1151.

Singles Club disbands

The monthly meeting of the St. Albert "Singles" was held at the home of Ron Caron

Due to poor response, marriage and employment of its present membership, it was voted to terminate the club. It was a very hard decision to make, as many friends were made, and some very good functions were enjoyed by all who attended.

We would like to thank all those persons who helped us in the past, and if there is anyone still interested in keeping a worthwhile group like this in operation in St. Albert, please phone Elaine Supple at 459-3935.

AROUND TOWN

Mr. Charles Richmond of Salford, England and his daughter Jean arrived in St. Albert on July 26 to spend a month visiting Mr. and Mrs. Wirt Richmond, of Bernard Drive and Mr. and Mrs. Peter Richmond of Fleetwood Cres. The Richmond clan went on a camping trip visiting Spokane, Seattle, Victoria, Kamloops and Jasper. The visitors thoroughly enjoyed their camping experience and the places they toured.

SCHOOL OPENING INFORMATION

1974-75 SCHOOL YEAR

REGISTRATION TIMES AND PROCEDURES

SCHOOLS AND GRADES	ADDRESS	PHONE	PRINCIPAL
Sir Alexander Mackenzie Grades 1 - 6	61 Sir Winston Churchill Avenue	459-4447 459-4468	Mr. L. Thronsdon
Leo Nickerson Grades 1 - 6	10 Sycamore Avenue	459-4426 459-4427	Mr. F. Carnahan
Robert Rundle Grades 1 - 5	50A Grosvenor Blvd.	459-4475 459-4476	Mr. R. Thronsdon
Lorne Akins Grades 7 - 9	4 Fairview Blvd.	459-5516 459-5517	Mr. B. Findlater
Sir George Simpson Grades 5 - 9	50 Grosvenor Blvd.	459-4456 459-4457	Mr. J. E. Arnot
Paul Kane High Grades 10 - 12	12 Cunningham Road	459-4405 459-4406	Mr. J. Hrynew

a) Elementary and Junior High Students will register during the morning of Tuesday, September 3. It is suggested that the following schedule be followed in order to reduce queuing:

Surnames beginning with the letter - A - G 9:00 - 9:45 A.M.
H - N 9:45 - 10:30 A.M.
O - Z 10:30 - 11:15 A.M.

Students will not attend classes on Wednesday, September 4, but will return for regular classroom instruction in the morning of September 5.

b) Senior High Students will register at Paul Kane High School as follows:

August 27 - 30 inclusive: ADVANCE REGISTRATION for students new to the District. Bring all previous high school records for evaluation.

Other students who have not yet pre-registered should also register during this week.

September 3 and 4 - GENERAL REGISTRATION

(1) Grade X: Tuesday, Sept. 3, 9 A.M. - 12 NOON.
(2) Grade XI: Tuesday, Sept. 3, 1 P.M. - 3:30 P.M.
(3) Grade XII: Wednesday, Sept. 4, 9:00 A.M. TO 12 NOON

All students will confirm registration; pay Instructional Materials Rental Fee (\$8.75 per semester) and Student Union Fee (\$5.00); receive timetables and textbooks.

c) GENERAL PROCEDURES:

NEW STUDENTS

All students new to the District will register at the tables marked "New Students," and are requested to provide the following information (noted on a piece of paper, please):

1. Full name - no nicknames, please
2. Date of Birth
3. Birthplace
4. Church affiliation (Protestant or Roman Catholic for taxation purposes).
5. Name of father, his occupation, business phone (for emergencies)
6. Name of mother, her occupation, business phone, home phone (where applicable - name of guardian, occupation, phone)
7. Name of family doctor, phone number
8. Student's home address
9. Number of older brothers, older sisters
10. Names and birthdates of younger brothers, younger sisters
11. Name and location of last school attended, grade last term
12. Other languages spoken at home

NEW GRADE ONE STUDENTS (Those NOT pre-registered in June, 1974, as beginners)

Grade One students must present their birth certificates at the time of registration as proof of age. Beginners must reach their sixth birthday by February 28, 1975.

FORMER STUDENTS:

Students who have attended schools in the District in the 1973-74 school year will proceed directly to the tables marked "old students". Here a previously prepared Registration Form will be available - students are asked to bring information regarding change in address, telephone number, etc. and additions to the family (with birthdates) since last year's registration.

INSTRUCTIONAL MATERIALS RENTAL PLAN:

Textbooks and related instructional materials are available to students through an Instructional Materials Rental Plan. The rental fees charged per student are as follows:

Division 1 (Grades 1 - 3):	\$ 7.50
Division 11 (Grades 1 - 6):	\$ 9.50
Division 111 (Grades 7 - 9):	\$13.50
Division 1V (Grades 10 - 12):	\$17.50

Instructional materials will be issued on proof of payment of fees.

Students who have not paid for damaged books or who have not replaced lost books from the previous school term will NOT be permitted to use the Instructional Materials Rental Plan until settlement is made. POSTDATED CHEQUES ARE NOT ACCEPTABLE. Cheques should be made payable to the school attended.

OTHER SCHOOL FEES: Each school will provide students and parents with information concerning other school fees and expenses.

BUSING:

Busing will normally be provided for elementary pupils living 3/4 of a mile or more from school, and for junior and senior high school students who live 1 1/2 miles or more from school. Eligible students will be issued bus passes at the schools. Parents are requested to contact the Secretary-Treasurer to make arrangements for pupils requiring special transportation because of medical reasons. (Busing will begin on September 5). Tentative bus schedules will be available at the time of registration.

E. S. GISH
SUPERINTENDENT.

ATTENDANCE AREAS

Sir Alexander Mackenzie Elementary School will serve those elementary pupils living in the following areas as indicated:

- a) All of Brakeside; Grades 1 - 6
- b) The part of Forest Lawn lying between Forest Drive and Sir Winston Churchill Avenue; however, it may be necessary to send some pupils from this area to Leo Nickerson School in order to balance class sizes (busing provided for pupils living 3/4 of a mile or more from the school); Grades 1 - 6
- c) All of Mission Park (busing provided); Grades 1 - 6
- d) Lacombe Park (busing provided); Grades 1 - 6
- e) Goodridge Drive, Garfield Place, Galaxy Place, Greenhill Street, Garraway Place, Garcia Place, Gloucester Drive (busing provided); Grade 2 - 6 only. (Grade 1 pupils will attend Rundle School).
- f) Akinsdale (also served by Leo Nickerson as necessary to balance class sizes). (Busing provided for pupils 3/4 of a mile or more from the school); Grades 1 - 6
- g) Greenfield Estates (busing provided); Grades 2 - 6 only (Grade 1 pupils will attend Rundle School).
- h) Grandview Ridge and Grandin Village (busing provided); Grades 2 to 4 only. (Grade 1 pupils will attend Rundle School, Grade 5 pupils will attend Simpson or Rundle, and Grade 6 pupils will attend Simpson).

Leo Nickerson School will serve all elementary pupils living in the following areas:

- a) The Sturgeon Heights Subdivision
- b) The part of Forest Lawn south of Forest Drive, including both sides of Forest Drive; this is the area that lies between Forest Drive and Hebert Road; however, it may be necessary to send some pupils from this area to Mackenzie School to balance class sizes.
- c) Akinsdale (also served by Mackenzie School as necessary to balance class sizes (busing provided for pupils living 3/4 of a mile or more from the schools).

Robert Rundle Elementary School will normally serve all elementary pupils in Grades 1 to 4 and two Grade 5 classes in Grandin Park except for the grades indicated in the following areas which have been assigned to Mackenzie School:

- a) Goodridge Drive, Garfield Place, Galaxy Place, Greenhill Street, Garraway Place, Garcia Place, Gloucester Drive (Grades 2 - 6)
- b) Greenfield Estates; Grades 2 - 6
- c) Grandin Village and Grandview Ridge; Grades 2 - 4. (Busing will be provided for pupils living 3/4 of a mile or more from school).

Sir George Simpson School will serve the following grades and areas:

Simpson Elementary - The remaining grade 5 pupils (those not attending Rundle School) and all Grade 6 pupils living in Grandin Park with the exception of Grades 5 and 6 in the following areas which have been assigned to Mackenzie School:

Goodridge Drive, Garfield Place, Galaxy Place, Greenhill Street, Garraway Place, Garcia Place, Gloucester Drive (Busing provided for students living 3/4 of a mile or more from school)

Simpson Junior High - will serve all junior high students living west of Highway No. 2 (Busing provided for students living 1 1/2 miles or more from school).

NOTE: Simpson School may have to enrol some new students from the Lorne Akins attendance area in order to balance classes.

Lorne Akins Junior High School - will serve all junior high students living east of Highway No. 2 (Busing will be provided for all students living one and one-half miles or more from Lorne Akins School).

NOTE: Lorne Akins School may have to enrol some new students from the Simpson attendance area in order to balance classes.

Paul Kane High School - will serve all high school students living in the St. Albert Protestant Separate School District as well as any high school students in the Sturgeon School Division who wish to attend. (Busing will be provided for all District high school students living one and one-half miles or more from Paul Kane High School).

NOTE: It is hoped that the above attendance areas can be maintained throughout the 1974-75 school year. However, if classroom space for any grade becomes filled in one school, it will be necessary to send additional pupils to other District schools that have available space.

Roof of Curling Rink to be renovated

Council voted 6-0 in favour of accepting the proposal submitted by the Texas Refinery Corp. of Canada Ltd., for the renovations to the roof of the St. Albert Curling Rink on Monday, August 12.

Three estimates were received for this project but the proposal supplied by T.R.C., at \$13,668, was considerably less than the others. It was \$2,000 less than the second and \$8,000 less than the third.

Included in the proposal

from the T.R.C. is a seven year guarantee period in comparison to the two year guarantee period mentioned in both of the other proposals.

St. Albert Roofing, under the direction of T.R.C., will complete the work. All phases of the contract will be in co-ordination with the Parks and Recreation Administration.

The proposal covers both the large rink roof and the small addition roof over the waiting room and clubhouse.

Is biogas the answer to the energy crisis?

Britain's cattle produce more than 100 million tons of manure each year. The methane gas which could be produced from this source would be the equivalent of 2 1/2 million tons of oil, or about half the industry's total energy needs.

While oil was cheap and readily available the pro-

duction of methane (or biogas as it is called) did not appear an economic proposition. Now the situation has changed and several research stations are stepping up investigations into new processes and possible utilization on the farm.

One scientist involved in this research is Professor

Peter Dunn of Reading University, England, who is perfecting prototype plant for processing dung from the university's large dairy unit. Results so far, says Professor Dunn, are extremely promising.

Methane (CH₄) occurs naturally as a product of bacterial decomposition. It is an odourless, colourless gas at room temperature. Any animal, human or vegetable matter may be broken down but the precise product formed will depend on the presence of oxygen.

Aerobic fermentation, as in the compost heap, produces gases, heat and a residue that can be used as a fertilizer. Anaerobic fermentation - produced in an atmosphere which excludes oxygen - produces combustible methane which is superior to aerobic fermentation in nitrogen content. This is the "marsh gas" phenomena of the countryside which can undergo spontaneous ignition. The production of biogas

from farm effluent was pioneered in Britain more than 60 years ago and many small plants were established in France and Germany as well as in the United Kingdom during World War II when oil was in short supply.

Since then technology has greatly improved efficient production, and the Reading scientists suggest that only the high initial capital investment still required for small, individual farm production units inhibits a widespread adoption of the technique.

The final purified product has to be stored against use and this poses major problems. Unlike propane and butane, methane does not liquify under reasonable pressures and extreme caution has to be exercised in moving it from digester to storage. It can be explosive when mixed with even a small volume of air. Considerable storage capacity is essential and this may prove a limiting factor.

On farms it may be that the use of biogas should be confined to replacing oil, petrol and electricity instal-

ations. There is no reason why the gas should not be used for lighting, heating and cooking as in efficiency it compares favourably with North Sea gas.

On a relatively small dairy farm the equivalent of 30

gallons of oil could be produced per week. The residue, after gas extraction, could be dried and used as a replacement for some of the costly artificial fertilizers that are becoming in shorter supply.

QUICK STARTS

Gasoline can be conserved and engine and tire life prolonged by avoiding unnecessarily rapid acceleration away from lights and stop signs.

ST. JOSEPH'S VOCATIONAL STUDENTS BUS STOPS WILL BE THE SAME AS LAST YEAR AND BUS SERVICE STARTS ON AUGUST 27, 1974.

V. J. MALONEY,
SUPERINTENDENT OF SCHOOLS,

St. Albert REC NEWS

PLAYGROUNDS:

The playgrounds close on Friday, August 23. It is hoped that the wind-

up arranged for Wednesday, August 21 from 2 - 4 p.m. at Lions Park took place as scheduled. At the time of writing it was not known

whether the weather was going to co-operate or not. If not, the event is rescheduled for Thursday, August 22 and if impossible on that day as well, then Friday, August 23 is the weather's last chance to help and not hinder.

YOUTH EMPLOYMENT:

The Youth Employment is coming to an end and "orders" will only be taken till Friday, August 23.

So this is the last week for householders and business people looking for casual labour to have the chance to contact the office in the Town Hall by calling or phoning 459-6601.

SWIMMING:

The last session of swimming lessons ends on Friday August 23 and the present

schedule ends on August 25. From August 26 - 30, public swimming sessions will be held each day from 1 - 5 p.m. and from 7 - 9 p.m. with family swimming from 6 - 7 p.m. each evening and teen swimming from 9 - 10 p.m. on Monday, Wednesday and Friday and adult swimming from 9 - 10 p.m. on Tuesday and Thursday. The schedule for Monday, Sept. 2 is the same as for Monday, August 26 with additional public swimming from 10 a.m. - 12 noon.

The schools will have the use of the pool from Sept. 3 and there will be further changes in the schedule. They will be announced in the Gazette and posted at the pool.

A reminder: a mile swim

will take place on Sunday, August 25 at 9 p.m. This will be the last opportunity this season for those who want to test their powers of endurance - and for those who want to improve their time on the mile swim held in July. The skin-diving session is cancelled on that evening.

Anyone interested in "barring" a bronze medalion or cross, or obtaining an award of merit or bar, should leave name, address and telephone number at the pool. Arrangements will be made for R.L.S.S. examinations sometime next week if there is a good enough response.

TENNIS:

There was a very disappointing response to the announcement about a junior tennis tournament scheduled for this week. It regrettably has been cancelled.

FIGURE SKATING:

Watch for an announcement about a meeting of the Figure Skating Club.

JOINT USE:

Application forms for accommodation under the terms of the Joint Use Agreement are available at the Recreation Office in the Town Hall. If they haven't already done so, officials of organizations wishing to apply should do so as soon as possible.

REGISTRATION of STUDENTS

PUPILS IN GRADES 1 - 7 WILL REGISTER ON MONDAY, AUGUST 26 AS FOLLOWS:

STURGEON HEIGHTS: Grades 1, 2, 3, 4, 5, 6, 7 at Vital Grandin - 8:35 a.m.

MISSION PARK: Grades 1, 2, 3, 4, 5, 6 at Albert Lacombe - 8:50 a.m.
Grade 7 at Vital Grandin - 8:35 a.m.

BRAESIDE: Grades 1, 2, 3, 4, 5, 6, 7 at Vital Grandin - 8:35 a.m.

LACOMBE PARK: Grades 1, 2, 3, 4, 5, 6 at Albert Lacombe - 8:50 a.m.
Grade 7 at Vital Grandin - 8:35 a.m.

GRANDIN PARK: Grades 1, 2, 3, 4, 5, 6 at Albert Lacombe - 8:50 a.m.
Grade 7 at Vital Grandin - 8:35 a.m.

FOREST LAWN: Grades 1, 2, 3, 4, 5, 6, 7 at Vital Grandin - 8:35 a.m.

AKINSDALE: (Grades 1, 2, 3, 4, 5, 6, 7 at Vital Grandin - 8:35 a.m.)

Buses will run on registration day at the time shown on the busing schedule.

The above registrations are tentative only and attendance zones are subject to change by the School Board if enrollments are extremely heavy.

JUNIOR HIGH SCHOOL:

Grade eight and nine students from all attendance areas will register at Father Jan Junior High School at 8:50 a.m. August 26, 1974.

Regular classes will commence on Wednesday, August 28 at the following times:

VITAL GRANDIN SCHOOL - 8:35 a.m.
ALBERT LACOMBE SCHOOL - 8:50 a.m.
FATHER JAN SCHOOL - 9:10 a.m.

Parents are requested to accompany Grade One pupils.

Children who will be six years old by February 28, 1975 will be accepted for the school term 1974-75.

No classes will be held on Tuesday, August 27 as this time will be devoted to organization.

The schools provide book rentals Grades 1 - 12 inclusive, and book lists showing costs are given to each student during registration.

A. REGISTRATION ST. ALBERT HIGH SCHOOL

NEW Registrations as well as Registration Changes as indicated by the Guidance Department will take place at St. Albert High School according to the following

schedule:

Monday, August 26 Grade 11 & 12 students 9 a.m. - 3:30 p.m.
Tuesday, August 27 Grade 10 students 9 a.m. - 3:30 p.m.

STUDENTS who have **PRE-REGISTERED** in the spring are considered to be registered unless a change is indicated by mail.

B. Allotment of Text Books and lockers will take place for **ALL STUDENTS** according to the same schedule:

Monday, August 26 Grade 11 & 12 students 9 a.m. - 3:30 p.m.
Tuesday, August 27 Grade 10 students 9 a.m. - 3:30 p.m.

There will be **NO** registrations or distribution of texts on August 28 or 29.

Classes will commence on Wednesday, August 28 at 9:10 a.m.

Late registrations and final distribution of texts will take place on Friday, August 30 from 9:00 a.m. to 3:00 p.m.

Students who wish to be assured of full course selection are advised to register early as quotas may be filled in certain specialized areas.

THE COST OF TEXT BOOK RENTALS:

GRADES 10 - 11 - 12
Instructional Material \$18.00
Year Book (Optional) \$ 5.00
Students' Union \$ 5.00

NOTE - ALL CHEQUES ARE TO BE MADE PAYABLE TO:
ST. ALBERT SCHOOL DISTRICT NO. 3

CAUTION FEES:

There is a cost attached to Home Ec., Industrial Arts, and some Special Project courses depending upon the project which the individual student selects, e.g. One student might want to finish a rumpus room in his basement at home for Special Project credits, another might want to construct a picnic table in Industrial Arts materials class.

The cost of materials is the responsibility of the student, consequently, before allowing students to undertake any such projects, we expect parental approval.

SPORTS

By Larry Mitchell

Bon Accord's senior baseball team are the first winners of the new Molson Trophy for winning the North Central Baseball League championship last Sunday in Morinville. Members of the team from left to right, back row: Dale Malanchon, Chuck Critchley, Jim Allen,

Vern Lewis, Louis Neilson, Roy Malanchon, Dean Lewis, Brian Irmen and Dennis Schneider. Front row, left to right: Hugh Allen, Dale Lewis (Molson Cup), Myles Langer and George Fraser.

Bon Accord wins North Central baseball league playoffs

Bon Accord's senior baseball team under the sponsorship of Bon Accord Trailer Park and Laundromat, won the four-team single knock-out North Central Baseball

League playoffs in Morinville Sunday afternoon. Bon Accord, who finished in third place in the six-team league received some excellent pitching and hitting as they swept through both their games with no trouble whatsoever. They pulled off an upset in their opening game as they blasted second place Vimy Blues 19-6. Bon Accord held the usually heavy hitting Blues to only four hits, one of which was a home run by Roger St. Arnaud. Winning pitcher Dale Lewis had 10 strike

outs while his team-mates were racking up 17 base hits off the Vimy pitching. Dale Lewis, Captain Hugh Allen and Myles Langer had home runs for the winners.

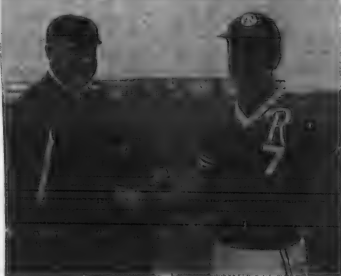

In the other upset the young Rochester Lions scored a 10 - 7 win over Morinville Manufacturers. Morinville fought back from a 7-0 deficit to tie the match late in the game but an outfield error allowed Rochester to

score three runs in the last two innings and advance into the finals against Bon Accord.

The final game was all Bon Accord's as winning pitcher Myles Langer struck out 15 Rochester batters and scattered five hits. Langer also led Bon Accord's 12 hit attack with a single and two home runs. Brian Irmen also homered for Bon Accord off losing pitcher Gilbert Oko while Daryl Lewis had a home run for Rochester's only run of the game.

Bon Accord played very well defensively especially that of second baseman George Fraser who took away four or five base hits during the two games with some fine fielding plays. This marks the second year that Bon Accord has won the league playoffs as they took out Morinville last year.

League President Paul Roppel was on hand to present the new Molson's Trophy to Bon Accord captain

Umpire Joe Arisman congratulates Ray Wagner of the Rochester Lions for being named the Most Valuable Player in the North Central Alberta Baseball League.

Playboys take Calahoo fastball tournament

Stony Plain Playboys scored a convincing 5-0 win over St. Albert A's in the

final game Sunday to win the 12 team annual Calahoo Sports Association fastball tournament. Veteran Gerald McLean was superb on the mound for the Playboys in the game that was called after five complete innings due to darkness. Playboys went through the well run tournament undefeated with wins over Bank of Montreal, Edmonton Native Sons and Dahl's Tigers from Whitecourt. Playboys have now won four tournaments this year and finished second in one other. St. Albert A's got into the finals with wins over Sun Properties and St. Albert Inn.

Calahoo Chiefs won the B event with a come from behind 6-4 win over the Bank of Montreal in the final game. Calahoo was down 4-0 going into the sixth inning before they rallied for a six run inning to win. Chiefs lost their opening game 9-8 to AGT but then came back with

a 12-6 win over Stony Plain Kings to reach the B final.

The Calahoo women's team defeated Clymont 8-7 in the final game to take first place in A event of the ladies eight-team fastball tournament. Sharon Kopp was the winning pitcher in the final game that saw Calahoo score the winning run in the eighth inning. Sharon was also on the mound in Calahoo's first win over Thirsty Nine while Rene Kolesar was the winning pitcher in a 11-6 win over Calahoo girls team. Calahoo received sterling performances from three Riviere Qui Barre girls in Sara Van Tighen and Faye and Darcy Brennells.

Sanguo defeated Thirsty Nine 8-6 to win the B event final of the ladies tournament.

The Sports Association would like to thank all the ladies who helped to make the tournament and barbecue a tremendous success.

Carma Developers Football Schedule

St. Albert's bantam football team, under the sponsorship of Carma Developers will play all their Edmonton and District Bantam Football Association games at Kinsmen Park in Edmonton this season. All 16 teams will play a seven game schedule with St. Albert's games as follows: Sept. 2 - 10 a.m. Ladies Quarterback Club. Sept. 7 - 11:30 a.m. Canada Safeway. Sept. 15 - 10 a.m. Foley

Electrical Contractors. Sept. 22 - 11:30 a.m. Dairly Queen. Sept. 29 - 10 a.m. Jenner Pontiac-Buick. Oct. 6 - 11:30 a.m. CHQT Broadcasting. Oct. 13 - 10 a.m. Little Truck Sales. All eight teams in each of the two divisions will be in the playoffs which will be played October 20 and 26 with the league finals to be played November 3.

St. Albert's representative bantam soccer team that will be competing in the first Alberta Summer Games in Calgary this week are from left to right, top row: J. Parker, E. Key, B. Taschuk, D. Warrington, W. Brown, D. Dupin, B. Neeser, Peter Hancock, Bottom row: T. Murray, S. Aldred, B. Rowse, B. Telford, P. Little, A. O'Kell, M. Weygood. Missing from the picture - R. Hanke, R. Kane and M. Wright.

St. Albert bantam soccer in Alberta Summer Games

St. Albert's representative bantam soccer team, coached by Mr. Peter Hancock and Dave Bulmer will take part in the first Alberta Summer Games this week in Calgary. The Games are being hosted by the Province and the City of Calgary.

The bantam team is a combination of our Premier and Central league teams that play in the Edmonton and District Soccer League. Mr. Allison coached the Premier team while Mr. Black and Mr. Hancock had the Central league team.

The teams game schedule was not known at press time but Mr. Hancock believes

they will probably play representatives from Calgary, Edmonton and Lethbridge. The team will leave by bus Wednesday morning and will be billeted at the Sarcee Barracks in Calgary. They will then be taken to McMahon Stadium where the Calgary Stampede's Regina

Rough Riders half time show will salute the Alberta Summer Games.

Mr. Hancock would like to thank Mrs. Hopkins and Mrs. Ansley for getting the uniforms in topshape. Mr. Hopkins will advise us of the games results in next weeks Gazette.

REGULATIONS CHANGED FOR DISCHARGE OF FIREARMS

Shooting Allowed with Permission

Legislation now bans the discharge of firearms on occupied land without prior consent of the landowner or occupant.

The ruling is in a clause of Bill 30, the Wildlife Amendment Act, effective August 1st, regulating hunting and shooting in Alberta. The act also specifies that no person may shoot along, across, or from a developed road allowance unless he is hunting game birds with a shotgun under the authority of a game bird licence. This is in addition to shooting bans in effect on all highways in the province.

All future municipal district and country by-laws relating to firearm use will be subject to ministerial approval at the provincial level.

IN DOUBT?... DON'T SHOOT...
... ASK FIRST

Bill 30

The Wildlife Amendment Act

1974

Section 20, with amendments in bold face type, reads as follows:

1. In this section, "Occupied lands" means
 - (a) privately owned land under cultivation or enclosed by a fence of any kind and not exceeding one section in area upon which the owner or occupant actually resides, and
 - (b) any other privately-owned land which is within one mile of the section referred to in clause (a) and which is owned or leased by the same owner or occupant.
2. No person shall hunt any wildlife or **discharge any firearm** upon or over occupied lands or enter upon such lands for the purpose of doing so, without the consent of the owner or occupant thereof.

Section 25, with amendments in boldface type, reads as follows:

1. Except in the case of a boat propelled by muscular power, no person
 - (a) shall have a loaded firearm in or on any kind of vehicles or boat, or
 - (b) shall discharge a firearm from any kind of vehicle or boat, whether the vehicle or boat is moving or stationary.
2. Any firearm having a live shell or cartridge in the breech or chamber shall be deemed to be loaded within the meaning of subsection (1).
3. No person shall hunt from an aircraft.
4. No person, except the owner or occupant, shall
 - (a) discharge a firearm, or
 - (b) cause a projectile from a firearm to pass within 200 yards of any occupied building.
- (5.1) No person shall
 - (a) discharge a firearm from, or
 - (b) cause a projectile from a firearm to pass along or across a developed road allowance in any county or municipal district unless he is hunting game birds with a shotgun under authority of a game bird licence issued pursuant to this Act or the regulations.

The Municipal Government Act is amended as to section 152 by renumbering the section as subsection (1) and by adding thereafter the following subsection:

2. Upon the commencement of this section no council of a county or municipal district may pass a by-law under subsection (1) clause (d) without the consent of the Minister of Municipal Affairs and the Minister of Lands and Forests and any by-law passed thereunder by such council prior to the commencement of this subsection and which has not been rescinded prior to August 1, 1974 shall cease to be valid on and after that date.

Alberta
LANDS AND FORESTS
Thinking about tomorrow
... today

Mrs. Hilda White, president of the St. Albert Saltfish Swim team, received a cheque from Mr. Henry Terrault, president of the St. Albert Community League, on Friday, August 16. The money is to help finance the regional finalists trip to Calgary for the provincial finals on August 24 and 25. The regional finals took place at O'Leary High School Pool on Sunday, August 18.

Antelope Hunting Season

Alberta Lands and Forests, Fish and Wildlife division announced August 8, a one-week, buck-only antelope season extending from October 21 through October 26.

The short season coupled with a limited number of hunting permits and a moderate increase in antelope numbers allows for future herd expansion while ensuring a high quality hunting experience, stresses Fish and Wildlife Director, Gordon Kerr.

Deadline for applications to participate in the draw for the limited number of permits which will be issued

is August 23 and applications must be postmarked no later than that date.

Application forms are available at district fish and wildlife offices.

This year the number of permits has been set at 1,105 - up 30 from the 1,075 issued in 1973 - with 50 of the allotment reserved for non-resident Canadians.

A bumper kid crop - up 15 per cent from last year - has contributed significantly to the overall pronghorn population increase, Fish and Wildlife surveys indicate a population of approximately 10,800 animals.

It is anticipated that the

hunter success rate will be between 62 and 70 per cent for a harvest of approximately 750 bucks.

Successful resident hunters will be restricted to one licence every two seasons while non residents bagging a pronghorn will have to wait four years before becoming eligible for another licence. Hunters are warned of amendments to the Wildlife Act which outlaw road hunting and of restrictions against hunting antelope within 50 yards of a vehicle and using all terrain vehicles for other than afternoon hunts.

**PUT THOSE
WATTS
TO
WORK
..WISELY.**

DON'T LET YOUR FREEZER BLOW ITS COOL.

Opening your freezer unnecessarily can 'cost' you electricity. Each time you open the door you admit warm air which must be cooled. This causes increased frost build-up that must be compensated for by overworking the freezer, or by frequent defrosting. To get maximum efficiency from your freezer plan ahead and remove all needed items at the same time.

To help your freezer 'keep its cool', also be sure the door seal is tight.

"Energy is our business — conserving it is everybody's business."

Birch - Hart Wedding

Pastor J. Rowse performed the wedding service uniting Marilyn Karen Hart, daughter of Mr. and Mrs. W. E. (John) Hart, formerly

of St. Albert and Robert Wayne Birch, son of Mr. and Mrs. Thomas James Birch of Calgary. The Harts

are now living in Delta, B.C. The wedding was held at 2 p.m. in Faith Regular Baptist Church, Vancouver.

Given in marriage by her father, the bride was lovely in a gown of white silk organza with heavy white cotton lace trimming the square neckline, wide banded cuffs and the edges of the matching train. Her gown featured Juliette sleeves and a sweetheart bow at back of the belt and she wore a corsage of palest yellow roses and white carnations with white ribbons.

The bride was attended by Miss Lois Hart, Miss Joyce Welwood and flower girl, Miss Lesley Hart. Bridesmaids wore floor length gowns of baby pink tulle, with mandarin collars, short puff sleeves and sweetheart bows at back of belt. They carried bouquets of pink carnations and white carnations and daisies and wore silver necklaces, gifts of the groom. The flower girl carried a basket of pink and white carnations, deep blue cornflowers and pink and blue ribbons.

Attending the groom were Tom Ball and Robert Hart. A reception followed at the Blue Boy Hotel in Vancouver, when Mr. Robert McLoughry proposed a toast to the bride, and solos were "Guard and Keep Them" by Joyce Welwood, and "O Perfect Love" by Doug Birch. Special guests were the grandmothers of the couple from Thunder Bay and Toronto and friends and relatives attended from Ottawa, Los Angeles, St. Albert, Calgary and Edmonton.

The happy couple left on a wedding trip to Harrison, Kelowna and Victoria.

St. Albert couple exchange wedding vows

The St. Albert Evangelical Lutheran Church was the scene of a July wedding when Victoria Alice Foreman, eldest daughter of Mr. and Mrs. Douglas Foreman exchanged vows with Kenneth Mark Ahronson, son of Mr. and Mrs. Bud Ahronson. Both Vicki and Ken attended Paul Kane High School in St. Albert. Reverend R. O. Olson officiated at the double ring ceremony.

Entering the Church on the arm of her father, Victoria wore her mother's wedding gown which was fashioned with a full skirt of layered net and featuring wide lace insets which dipped gradually over the hip-line and extended to the edge of the aisle-wide cathedral train. The moulded lace basque was distinguished by scalloped yoke and high neckline outlined with pearls and long pointed sleeves. A jewelled tiara held the finger veil of imported Tulle illusion. Vicki wore a pearl necklace of family significance belonging to her Grandmother Foreman. She carried a bouquet of red roses and baby's breath.

Mrs. Ester Olson presided at the organ and accompanied Mrs. Beatrice Loschack, who sang "With This Ring I Thee Wed" and "The Hawaiian Wedding Song." The six bridal attendants wore long gowns of varying pastel shades and carried floral baskets of mums and baby's breath tied to match their dresses. The maid of honour was Dianne Barnes in pink, bridesmaids, Marilyn Ahronson (sister of Ken) in blue; and Robin-Lee Fore-

man (sister of Vicki) in melon. The flower girls were Christine Ahronson (younger sister of Ken) in blue; Wendy Foreman and Tammy Foreman (younger sisters of Vicki) both in pink.

The best man - Darrell Tate (long time friend of Ken) was accompanied by the two ushers Ray LeBlanc and Stephen Foreman. The bride's younger brothers, Todd age five and Drew age seven acted as ring bearers.

For her daughter's wedding, Mrs. Joyce Foreman chose a sleeveless, floor length gown of two toned pink and white and wore accompanying accessories of long white gloves, diamond earrings (a gift of the bride) and a wrist corsage of yellow roses.

Ken's mother, Mrs. Marcelle Ahronson was in a floor length gown of ice orange with long sleeves and a V neckline and a corsage of a green orchid.

Following the ceremony a reception was held in the Church Hall which was catered by the Women of the Church. Later that evening friends and family both were able to join the couple at the Villeneuve Hall for a dance and buffet supper. Music was supplied by Mr. Ray LeBlanc who volunteered his time and made a three to four hour tape covering every type of music.

Guests from out of town were: Mr. and Mrs. A. H. White, Sarnia, Ontario, grandparents of the bride with their daughter Miss Donna White; Mr. and Mrs. P. R. Foreman, Sarnia, Ontario, grandparents of the

MR. & MRS. KEN AHRONSON

bride; Mrs. Doris Brock, aunt of the bride, Sarnia, Ontario; Mrs. Ellen Grills, Lindsay, Ontario; Mrs. W. Ahronson, Winnipeg, Manitoba, grandmother of the groom; Mr. H. Maxwell, Hudson's Bay, Saskatchewan, uncle of the groom; Mr. and Mrs. Don Maxwell, Winnipeg, Manitoba, aunt and uncle of the groom.

The couple honeymooned in Manitoba before returning to the home which they are making in St. Albert.

OPEN HOUSE

Friends of Mrs. John W. Barnett, mother of Mrs. Dr. Cuts of St. Albert are invited to a reception on the occasion of her ninetieth birthday. Time - 2 to 6 p.m., Date - Tuesday, September 3; Place - St. Albert United Church, lower hall. Everybody welcome!

from Gibbons

By Shirley Steinwand

Grand opening of the Gibbons Arena will take place at the Arena, on Saturday, August 31, 1974, at 12 noon.

Invited guests from all levels of government will be present for the ribbon cutting ceremony, and official turn over of the keys to Gibbons Mayor Loblock and Sturgeon River Agricultural Society President, Clarence Minchau. Everyone is invited to attend this event.

The opening of an arena of this scale is a great tribute to the people of Gibbons and surrounding area. Total cost of this arena is \$411,000 and will give the people of

this area an artificial ice arena of which they can be justly proud.

On August 31 and September 1, the Gibbons Recreation Board and the Sturgeon River Agricultural Society will host a Fall-Fest, in conjunction with the opening of the new Gibbons Arena.

CFCW will be doing a remote broadcast from the grounds on August 31. Two streets will be blocked off for Wally's Amusements midway. Other highlights of this two-day event will be - Saturday, official opening of the arena. Bingo on the midway, 4H Club dis-

plays and demonstrations. Ball games, barbecue, free admission to Beer Gardens in the arena and beer dance.

Sunday will see - street breakfast, midway and bingo, horse club show, square dancing, Nancy Hayes dancing team, Senior Citizens Choir.

There will be displays in the arena by different organizations. Any other communities wishing to participate are asked to contact Mrs. Rocque - 799-0264 or Mr. Maclean 799-9616.

Watch for posters as to times these events will take place.

This should be a very interesting and unfiled weekend, so bring your family to the Fall Fair.

The Sturgeon Valley 4H Club is holding its annual banquet at Gibbons Hall on August 23, 1974 at 7:30 p.m. Admission - \$3.00. Guest speakers will be: His Honor Lt. Governor Steinhilber, and Miss Barbara Smith, assistant supervisor of Northwest Region of 4H Clubs.

Tickets may be obtained from the following people: Namoo - Melvin Clark; Morinville - Marianne Mickelson; Bon Accord - Betty Kushak; Gibbons - Calvin Briggs; Bruderheim - Bradley Tuwek; Lamont - Ronald Radke.

The Gibbons Legion are now selling tickets on two hundred dollars worth of beef. See any Legion member for your tickets.

Gibbons council passes recreation budget

By Shirley Steinwand

Mr. Coulombe of the Regional Recreation Board attended the August 14 meeting of the Village of Gibbons Council to present the 1974 budget for recreation. After a long discussion the council passed the regional budget of \$1,970, which represents two mills.

Councillors protested the Regional Recreation request that the budget be passed at the meeting, not allowing sufficient time for them to review it, and also the fact that the budget was so late. The village budget had been completed July 31. They also questioned how much of the total budget went for wages and administration. This year's regional recreation budget is more than double last year's which was \$900.

The village has also allowed for \$900, or one mill, to go to the Gibbons Recreation Board, plus three mills for the arena.

The village engineers and planning commission representative attended the meeting to discuss three developments now taking place and they seem to be progressing favourably.

A water study to increase the supply as well as the standard is now taking place and a number of meetings will be set up for this purpose in the near future with the engineers and environmental board. The present water is tested twice month-

ly at the least and has shown no contamination whatsoever.

The council gave permission to the Gibbons Recreation Board to close 51st Ave., from 51st Street east to 40 Street, and on 50 Street from 51st Ave. south to 50th Ave. for the Fall Fest to be held on August 31 and September 1st. This closing will allow a midway to be set up in this area.

A submission for a rustic brick plant to be located in the village was discussed and passed in principle providing it is permitted by the Environmental Board and Regional Planning.

Building permits have been issued for 64 new houses in Gibbons so far this

year.

The secretary was appointed to be the Returning Officer for the village for the upcoming election. Nomination day will be held on September 18. Voting in the village this year will be done by declaration, so no voters list will be prepared.

Bylaw 180 being an assessment bylaw was passed allowing for the assessment for 1974 to be used in the year 1975.

The Village Volunteer Fire Department will be needing two or three new firemen in the near future, so if you are interested, please contact Fire Chief, Earl Yeo or Deputy Chief Jack Hogg.

Help Wanted

TWO SECRETARIES REQUIRED: one for Georges P. Vanier School and one for Notre Dame School. Qualifications: typing, clerical and bookkeeping. Apply by - August 21, 1974 to Jeanne Beaupre, Secretary-Treasurer, Thibault School District #35, Marinville, Alta., stating qualifications and salary expected.

GIBBONS, ALBERTA

Many antique items shown at WI K Days display

By Liz McLeod

Five members of the Calahoo WI, Betty Albrecht, Daphne Kerr, Anna Carty, Stephanie Shenfield and Mary Dalheim were very busy ladies at this year's Alberta Women's Institute booth in

the Sales Pavilion at Klondike Days this year. The day proved interesting and they were told this was the best display seen, and many hoped we would do this every year.

Among the displays was a coffee grinder at least 75 years old, and another member had her father's camp kit from World War I, which was used to grind the coffee and brew it for the "Wimem-ber", since they were too busy to go elsewhere.

Incidentally we are told it had a superb flavor and one man asked for the pleasure of turning the grinder.

Of course our own Betty Albrecht is our expert at spinning wool which always draws a crowd. A silver footstick which has been in the Dalheim family some 200 odd years was something to see, and a cameo brooch of her grandmother's at least a century old, as well as a battenberg centre-piece, done by her mother at least 75 years ago. This is a type of needlework few have seen. It is not crocheted nor embroidered but was done with a sewing needle and fine thread.

Also displayed were an old Norwegian pipe, two sizes of button books, an old Grade VIII school diploma, old readers, old greeting cards, old jewellery, two cruet sets, a water pitcher, sad iron, Ukrainian embroidery vase and butter print.

Daphne Kerr had some interesting letters edged in black, one an invitation to a funeral, dated in the 1800's.

Stephanie Shenfield had her grandmother's diary from when she was a girl, sketches, watches, one dated 1878 and one a silver nursing watch of her mother's in the first world war.

There was a macedonia campstone that uses sterno fluid and a Georgian silver teaspoon dated back in 1783, and two prayer books over 100 years old, plus the first volume of a Charles Dickens book. The first volume of notes by Samuel Taylor Coleridge, and a book given to Stephanie's grandfather in 1865.

Then there were on display a Burmese silver bracelet of the 1890's; a belt made of beads and bells and the only garment worn by some Africans was a missionary who gave it to me; a Victorian times Marabon feather hat; several coins, two sheets from Britain dated 1837, plus one from the Isle of Jersey. A rare collection indeed.

"Crock Pots and What Not's" the WI anniversary cookbook put out by the WI women of Nova Scotia proved very interesting who asked for the address and a 1930 Eaton's catalogue which is a reprint was enjoyed by all.

Hopefully more members will participate in this event next year making it even more interesting.

Taking a first-hand look at nature, under the direction of 4H Conservation Camp co-ordinator Glenn Edwards (third from left), are, left to right: Nicole Coursaux, Legal; Sheila Gieske, Vimy; Mr. Edwards, Gary Low, Sherwood Park; Don Schiewe, Edmonton; Gary Leddy, St. Albert; and Bob Schreiner, Vimy. Now in its ninth year of operation, north of Sundre, the camp is sponsored by Alberta Power and Calgary Power Ltd. Youngsters from throughout Alberta are selected by 4H officials to take part in the week-long conservation program. The camp was held August 11 to 17.

Grant MacEwan speaks to 4H conservation camp

A pledge to "leave Alberta better than you found it" has been given to former Lieutenant-Governor Grant MacEwan by youngsters throughout the province attending the ninth annual 4H Conservation Camp, on the James River north of Sundre, Alberta.

Dr. MacEwan said he salutes those persons attending the camp, and the camp's sponsors Alberta Power Ltd. and Calgary Power Ltd. "I have a lot of enthusiasm for something of this kind, gathering in the spirit of nature and the need of giving nature some support."

"People have come to realize that we are facing a crisis. Conservation is no longer a matter of morals, it's a matter of necessity," he said.

Dr. MacEwan said United Nations predictions released this year show 20 million people will die of starvation in various parts of the world.

"Our population, the eaters, human or not, are growing away—at a pretty dangerous rate—from the resources on which creatures and humans must depend."

"I can't think of anything more urgent than to make an assessment of those things we require for the survival of things of God's making. We may pay taxes on land, but we don't own it."

"We are leaseholders, caretakers in the house of God. The real house of God is not one made by human hands. It is made by the Almighty Himself," the retired Lieutenant-governor said.

He said the imagination of youth, coupled with the challenge of conservation, provides a meaningful purpose for those involved with 4H.

"This is something big to do, taking care of the things that are really important. We only have these things on

loan for a time—and I can't think of anything better than being able to leave Alberta better than you found it," Dr. MacEwan said.

He said soil is Canada's greatest treasure, with 75 per cent of it in Western Canada.

"If I read history correctly, we'll probably rise and fall with our soil as other civilizations have. Poverty of soil means poverty of people."

"When you leave here, delve into the history of the relationship between soils and people. I have no doubt history will repeat itself, because people are thoughtless and they are in a hurry."

"We're in a hurry to get as much net return from our soil and our lands as possible. I think it's greed," he said, and urged 4H members to steer clear of "that self-centered goal."

"There is more satisfaction to you young people in conserve these things, rather than converting them to spending money. We're in just too big a hurry—and we're paying the price."

"I'm delighted to think that this conservation camp has survived to its ninth year... and that you young people have the zeal to want to be here," Dr. MacEwan said.

Locals from Legal

By Lucienne Montpetit

Mr. and Mrs. Jos Theberge and daughter Marie returned recently from a trip to Ottawa where they visited with their son Alfred, his wife and family. The plane ride was a wonderful experience for the "Theberges."

Patsy Montpetit along with six other French speaking youths from various places in the province left on August 15, to attend the "Festival International" in Quebec. The group will return on August 22.

The children of Mr. and Mrs. Paul Berube celebrated their parents 40th wedding anniversary last Saturday at the Recreation Centre. Best wishes for many more years of continued health and happiness.

A warm welcome to Mr. and Mrs. Cameron Mackay who have purchased Lucien Bergevin's residence, Mr. and Mrs. Ross McKinnon from Fort McMurray have moved in Bob Pelletier's house and Mr. and Mrs. Frank Klassen who have pur-

chased Frank Laberge's farm.

Get well wishes are extended to Doris Auger who is a patient at the Sturgeon General Hospital.

The Summer Playground Program will terminate on August 23. The leaders Lorraine de Champlain and Margot Montpetit would like to thank all the children that participated in the program, to have a successful playground like we had could not happen without the co-operation of the children said the girls, and we enjoyed working and playing tremendously during the summer.

Sincere condolences to Mrs. Diane Remillard, Omer and Leo Maurier who are mourning the loss of their brother-in-law Fred Simon from Lac-a-la-Fortue, P.Q. who passed away on August 19.

Patrick Hills, David Quaghebur, George Van de Walle and Andre Coulombe with four more cadets from the 524 squadron attended a two week camp at Penhold. Several courses were offered to the boys and Patrick and Andre chose system while George and David took photography. Patrick came out first in his group with 95 per cent and George brought back the trophy for photography.

Claude Letourneau attended the six week course at Three Rivers Air Force Camp in Winnipeg and received his wings in Gliders. Congratulations boys, you did very well and we are all proud of you.

The cadets are kept very

busy during the year with an interesting program including many outings such as swimming, flying, radio, pie shoots just to name a few.

Being a cadet doesn't cost you anything, so if you wish to register your son or daughter (girls are entitled to all the benefits of the Air Cadets) who is 13 years or over and take the advantage of the many opportunities offered to the cadets, should give their names to Mrs. Don Hills at 598-3664 before Sept. 28. If there is enough interested the cadets will be bused weekly to Bon Accord.

School will open on Sept. 3 Buses will collect the pupils at the usual time and students will be dismissed at 11 a.m. and buses will run at that time. New students should register this coming week by phoning 598-3791 or 598-2257.

Congratulations to Mr. and Mrs. Jos. Piesmany who celebrated their 25th wedding anniversary recently at the Legal Community Hall. Mr. and Mrs. Piesmany are now residing in Redwater.

Mr. and Mrs. Jos Nault entertained their many guests during the past month. From Oliver, B.C., Mr. and Mrs. Roger Houle and family; Rita Houle from Vancouver, B.C., Mr. and Mrs. Gus Cheeson from Waltham, Mass., and their niece Janine Hill from Buffalo, N.Y. Mrs. Nault's mother, Mrs. Elizabeth Houle left on August 20 for Buffalo, N.Y., to visit with her daughter and family. Janine also flew back home with her grandmother. Have an enjoyable holiday.

Mr. and Mrs. Nazaire Lessard have moved in their new home.

Rob Panich is progressing rapidly on the construction of his new home.

A farewell party was held for Lucien (Biz) Larose at Mr. and Mrs. Butch Hills last Saturday. A number of school friends and relatives gathered together to spend their last evening with Lucien before he left for Australia. Lucien took the plane on August 19 with two of his friends, they will land at Brisbane then they will be told the exact location where they will be teaching. Good luck in your new location and endeavours.

Zilinskis 25th anniversary

By Lucienne Montpetit

On July 20th, St. Mary's Ukrainian Catholic Church of Waugh was the scene of a lovely afternoon service for the celebration of the silver wedding anniversary of Mr. and Mrs. John Zilinski of Legal. Rev. Father Petryshyn gave his blessing to the celebrants and also blessed the wedding bands a gift from their lovely children.

Following the ceremony the guests gathered at the Legal Community Hall where refreshments were served followed by a banquet and dance. Mr. Steve Zilinski was master of ceremonies for the special occasion. The members of the original bridal party were guests at the head table that was graced with a beautiful wedding cake. Bridesmaids were Mrs. Mary Piesmany of Redwater, Mrs. Olga Oyschuk of Redwater, Mrs. Anne Eleniak of Edmonton, Mrs. Lucy Gerla from Legal and the flower girl Mrs. Shirley Russell of Port Coquitlam.

MR. & MRS. JOHN ZILINSKI

B.C. The best men were Mr. Jos Piesmany who was standing for Mr. Louis Zilinski who was unable to attend, Mr. John Marchak of Legal, Mr. Frank Zilinski of Thorold, Mr. Mike Doblanko of Edmonton and the page boy Mr. Victor Doblanko of Legal. Also seated at the head table were Rev. Father Petryshyn and Mr. and Mrs. Steve Zilinski. The toast to the celebrants was presented by Mike Doblanko, John and Anne both replied in a very capable manner, they also thanked everyone for joining them to celebrate their 25th wedding anniversary.

Their eldest son Dennis spoke on behalf of his brothers and sisters and Kathryn presented her parents with the gift on behalf of the family. Steve Zilinski presented them with a beautiful swag lamp from the group, and read a congratulatory message from Premier Lougheed.

Some 260 friends and relatives enjoyed themselves and were kept on the floor dancing to the lively and swinging music by the Twilight Sorenaders.

Out of town guests were from Boyle, Athabasca, Calgary, Winnipeg, Vancouver and Los Angeles.

Report from Bon Accord

By Sadie Allen

The Bon Accord senior baseball team topped off the brand new Molson Brewery championship cup for the North Central Alberta League in league playoffs held at Morinville on Sunday, July 18. The boys took out their arch-rivals from Vimy in the first game with a smashing 19 to 6 victory and finished off Rochester, who had taken out Morinville, by a 11 to 2 score. The team has had a successful season despite losing Lou Nelson's services late in the season due to a couple of broken wrists in a motorbike accident and George Fraser with

a sprained ankle for several games. Thanks to Chuck Crichtley, Dale Malanahan and Jim Allen from the midlets for filling in in league games. The club wish to thank all those fans who supported them during the season with a special thank you to Mrs. Estelle Beals and Mr. Harvey McLean for their very special support.

Congratulations to Gall and her girls on their first place finish in the Edmonton Women's Second Division Football League. The girls had nine points over the second place team.

The second Farmer's Market Day held in the Bon Accord Community Centre on Saturday, August 17 was well stocked with a good variety of vegetables. Cucumbers, corn and new potatoes are still in short supply. Quite a few items of home-baking are being sent in and quickly sold. A good supply of paperback novels is on hand. Bring a book and trade it in. Market days will be held on Saturdays from 1 to 4. Anyone wishing to make use of the facilities to sell their own produce can do so by giving the g. Society a commission on their sale.

Registration day for students attending LaZerte is Tuesday, August 27 at 9 a.m. Look for your bus at the regular time.

Congratulations to Keith and Elaine Whitson on the birth of their son Gregory Thomas Mason, 5 lbs. 6 oz. on August 15.

The Bon Accord Art Club will re-organize this fall for another interesting series of 20 lessons which will continue until spring 1975. The course will be painting 1. . . the study and exploration of the technique of painting . . . under the instruction of Gisela Feisberg. Details on fees, materials and exact starting date will be published later. New members will be most welcome. For further information please phone 298-2486 or 298-3821.

Gibbons Lions plan active program

Gibbons Lions held their regular meeting August 12, 1974 in the Gibbons Community Hall. Plans were made for September and October activities.

A Thanksgiving Turkey Bingo is to be held on October 7, 1974 at 8 p.m. in the Gibbons Community Hall, at which a special game will be for the CNIB. Tickets purchased before the bingo will be eligible for an advance ticket draw. There will also be a lucky door prize. The committee in charge are - Lions Gerald Kipling, Bill Pollard, and Don Bevington. Norman Knott and Ellis Merkey are in charge of the CNIB canvas which will take place September 16, 1974.

October 26 is the date of the Lions' October Fest. Good refreshments - with Bratwurst and Sauerkraut. Lions Larry Cuthbert, Wilf Oliver and Bill Pollard are in charge.

This year's officers are Gerald Kipling, President; Gerald is also B2 Zone chairman for Lions' International District #37; 1st vice president is Larry Pypere; 2nd vice president is Garry Cuthbert; Garry is also secretary; treasurer is Morley Kennedy; greeter is Wilf Oliver; bulletin editor is Earl Tane.

The Lions have offered to operate one of the Carnival booths for the grand opening of the new arena. This will undoubtedly be the EVENT of the year. The welcome mat is out for all residents of Gibbons and

northern Alberta to help us celebrate this momentous occasion. Radio CFCW will be present to record the big day, so listen and find out

all about us. Better still be there! All roads will be leading to Gibbons on August 31 and September 1. See you there!

MORINVILLE MEMOS

By Marilyn Pelletier

The Central Sturgeon Agricultural Society are holding a Farmers Market in the Morinville Recreation Centre on Saturday, Sept. 7 in the curling rink. Farm produce will be on sale from 10 a.m. until 2 p.m., and a big dance is planned for that evening. More information will be available next week.

Morinville Playschool Advisory Committee will hold a general meeting Wednesday, August 28 at 8 p.m. in the Recreation Centre. September fees will be collected at that time.

Urgently need one guide leader and brownie leaders for September. Contact 256-2072.

The Lions Club Community Birthday Calendar is coming up in September. There will be door to door canvassing.

Mr. and Mrs. George Flinger spent the weekend in Calgary.

Congratulations are extended to Mr. and Mrs. John Knorr on the birth of their new son on August 13, 1974.

Mr. and Mrs. Elgene Geoffroy of Vintage Construction

spent an enjoyable week's holiday at the home of Mr. and Mrs. Pete Tempel of Yellowknife, N.W.T.

Mr. and Mrs. Henry Lamoureux will be moving into their new Vintage House on August 21, 1974.

Marcella Beauty Lounge has moved into new premises

Recent guests of Mr. and Mrs. M. Thibault were Thelma and Danny Thibault from Deadwood, Alberta.

Mrs. L. Jones and son have returned to Saskatchewan after spending a month in Morinville with her daughter, Mrs. George West.

Sunday guests of Mr. and Mrs. Delvin Dancy were George Wahlund of Los Angeles, California; Miss Eva Swanson of Edmonton, Mrs. L. Wahlund and Eric and Ann Wahlund of Pibroch, Alberta and Mr. and Mrs. Ron Young from Bonnyville.

Mr. and Mrs. Glen Smith and family motored to Southern Alberta on the weekend for a family reunion.

Mr. and Mrs. S. Pifko and family have returned home after 10 days holiday travelling through Alberta and B.C.

Congratulations to Johann Rockwell, foster daughter of Mr. and Mrs. Walter Rockwell and Norman Rippe, son of Mr. and Mrs. Nap Rippe who will exchange vows on August 24, 1974 at the Namao United Church.

A special thanks to all the residents of Morinville who helped with the ticket sales for the cricket car. The Agricultural Society report ticket sales are going very well. All those that have tickets still out could they please notify the executive on how many they have left unsold.

HELP PLEASE - Poor Mr. Moo Butt has been fishing 20 times this summer and hasn't caught a thing. He is about to give up. Can anyone tell him where the good fishing is! Or some secret that might help!

Namao club joins Heritage Day event

By Norma Crozier

On August 5 at Fort Edmonton's Heritage Park the Namao Gymkhana Club and the Klondike Mounted Riders were pleased to help celebrate Heritage Day and "Scarlet 100." A receptive capacity crowd cheered the riders on throughout the day. Winner of the High Point Trophy Gymkhana 15 years and under was Margaret Forest and High Point Adult went to Vance Johner. It was a pleasure for the Namao Gymkhana Club and the Klondike Mounted Riders to help Edmonton celebrate their first Heritage Day.

The Klondike Mounted Square Dancers performed

By Norma Crozier
NAMAO FLOWER SHOW CANCELLED

Namao UCW reluctantly decided to cancel their Flower Show for this year. The rain and windstorm which struck Namao in July left a shortage of flowers in the community.

Get well wishes from the district go to Theresa Huber who suffered extensive facial injuries in a car accident last week.

We wish a speedy recovery.

Light Horse News

The Namao 4H Light Horse Club held their first Achievement Day at the Namao Gymkhana grounds on August 10 at 10 a.m. Judge for the day was John Saxton from Leduc, Alberta. Winners were:

Class 1 - Mare and Foal, Lanny Robertson; Class 2 - Yearling, Valerie Blaymire; Class 3 - 2 year old, Roddy Forest; Class 4 - 3 year old, Janice Wilson; Class 5 - Showmanship-Elementary - Roddy Forest; Class 6 - Showmanship-Junior, Margaret Forest; Class 7 - Showmanship-Intermediate, Karen Crozier; Class 8 - Mature Horse - Karen Crozier; Class 9 - Trail Class, Elementary, Brian Pearce; Class 10 - Trail Class-Junior, Valerie Blaymire.

Class 11 - Trail Class-Intermediate, Lanny Robertson; Class 12 - Western Pleasure Elementary, Brian Pearce; Class 13 - Western Pleasure-Junior, Valerie Blaymire; Class 14 - Western Pleasure-Intermediate, Lanny Robertson; Class 15 - Western Equitation - Elementary, Roddy Forest;

In conjunction with the RCMP Musical Ride in Red Deer on August 13 and 14. At the three performances the crowd attendance was between 13,000 and 14,000 a record for the Red Deer grandstand. The RCMP were so impressed with the square dance ride they extended an invitation for the square dancers to perform with them at all the remaining shows in Alberta this season.

Next regular gymkhana will be held August 25.

ery to Mrs. Ruby Lowe who has been in hospital and to Vernan Carson. May they all be well again soon.

A McLaugh family gathering was held on August 10 at the Lake La Nonne cottage of Don and Alice McLaugh to celebrate "Molly's" birthday. Special guests included her grandchildren, Karen and Curtis McDonnell, children of Murray and Donna McDonnell of Delta, B.C. Also attending were Dr. and Mrs. B. Wilberg and family.

Mrs. Wilberg Sr., Mrs. Kathleen Davis and Mrs. Sarah Bell. The day was enjoyed by the 24 people present despite the inclement weather.

Mr. Carsten Lalimer was visiting old friends in the district last week on his way through Edmonton.

Mr. and Mrs. Ted Samis and Mr. and Mrs. Bud Crozier have returned from holidaying with Mr. and Mrs. A. Millar at White Rock, B.C. They thoroughly enjoyed a five day fishing trip at Pender Harbour on the beautiful sunshine Coast.

Mr. and Mrs. Jack McLay are home after attending the Pentleton Square Dance Festival last week.

The Pearce family are hosting an Open House in honour of Dr. and Mrs. Harry Pearce of Detroit, Michigan, U.S.A., on August 31. In the Namao Community Hall. Tea will be served from 3 - 5 p.m., and a pot luck supper from 5 - 7 p.m. Everyone is welcome to attend.

About Coffee Freshness

Gourmets know that coffee stays freshest if kept unground, in whole-bean form. That's why richly blended Nob Hill or Airway Coffees are so good. The flavor remains intact until you grind it. It's the finest and freshest coffee you can buy. For those who prefer ground coffees, Safeway guarantees freshness by pulling off the shelves all out-dated coffee. For your convenience, the pull dates are marked on each package. Choose from the many grinds available and enjoy a cup of fresh perked coffee today. Instant coffees are convenient and just as tasty as percolator coffee. Enjoy percolator flavor from a jar... The Light Touch

By Pat Christensen

There are two kinds of people who don't say much: those who are quiet, and those who talk a lot.

Best time to relax is when you don't have the time.

Flattery is the only arrow that never misses its mark.

Back in the days of gunslings, before deodorants, a shoulder holster was the only "underarm protection."

Confidence is simply that quiet, assured feeling you have just before you fall flat on your face.

YOU CAN HAVE CONFIDENCE IN
